We plan to choose one or two common areas of math difficulty to study and make recommendations for, then follow over time. It was suggested that Numbers and Operations would be key at every level.

Recommendation:

Educlimber	All	Discuss inputting intervention data into EduClimber. Determine how the committee can use this data to inform the Child Find Committee of student progress.	Will input intervention forms directly into eduClimber. Set up automatic sync with Fastbridge so Fastbridge screening and progress monitoring go straight into eduClimber.
