**BLUFFVIEW MONTESSORI SCHOOL
POLICY 104
SCHOOL DISTRICT MISSION STATEMENT**

I. PURPOSE

The purpose of this policy is to establish a clear statement of the purpose for which Bluffview Montessori School exists.

II. GENERAL STATEMENT OF POLICY

The school board believes that a mission statement should be adopted. The mission statement should be based on the beliefs and values of the community, should direct any change effort and should be the basis on which decisions are made. The school board, on behalf of and with extensive participation by the community, should develop a consensus among its members regarding the nature of the enterprise the school board governs, the purposes it serves, the constituencies it should consider, including student representation, and the results it intends to produce.

III. MISSION STATEMENT

Bluffview Montessori School empowers self-directed learning through a materials-based Montessori curriculum that encourages independence and natural curiosity. Bluffview cultivates learners' deep respect for self, community, and a peaceful environment, while nourishing the intrinsic desire for academic, civic, and personal fulfillment.

IV. REVIEW

The school board will review Bluffview Montessori School's mission every two years, especially when members of the board change. The school board will conduct a comprehensive review of the mission, including the beliefs and values of the community, every five to seven years.
