

# SQUARE 1 ART

## IT STARTS WITH THE ART!

Bluffview is excited to announce that due to its popularity, and funds made available to our art program, our school is once again participating in a healthy, fun, and creative fundraiser with Square 1 Art this fall!. All the profits go *directly* back into the art program to help support and enhance the quality of materials and resources our students are able to interact with. If we are able to raise over a certain amount through orders, Square 1 Art will add another 5% to our profits! It is our hope you will continue to enjoy what this unique fundraiser offers. As always, you will find a wide selection of gift choices to have your children's original art printed on, as well as some personalization options! There are even a few extra items on the website that can be ordered and are not listed on the order form. New this year is a large, soft, fluffy blanket with a huge print of your child's art on the front, as well as a really nice beach towel!! Watch for catalogs and order forms to arrive home with your children **today!** The best news? All orders will arrive before Winter break in time for gift giving!

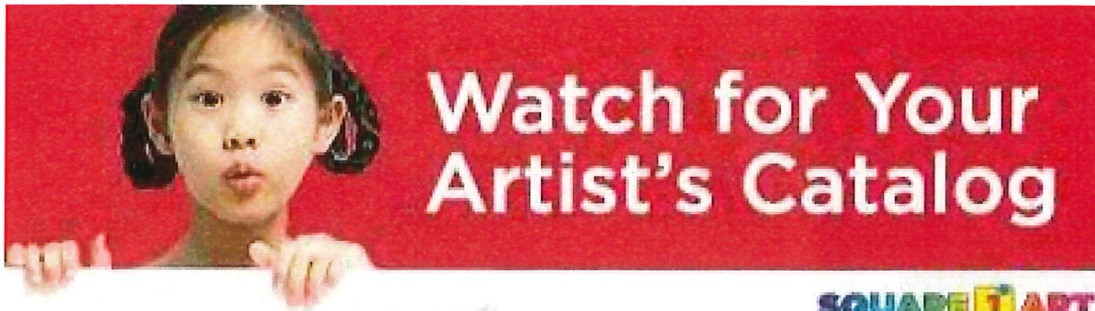

\*An online ordering code specific to each student will be printed on your catalog when it arrives home with your child, which makes ordering *very simple* with nothing to return to school. And of course, as always, you may fill out the order form and return that instead if you wish! It's all very handy!

\*Remember to mark your calendars on **November 29th, the due date for orders** with free shipping and **December 21st delivery to Bluffview Montessori School!** (*I will not be able to accept orders after November 29th this year, but you may still order online for a few extended days beyond this date until Square 1 Art receives the orders...it's best to call them and check their latest deadline ability.*)

- *Dear families, if your child does not come home with the ordering form today it is because 1. They haven't finished their art yet (I'm working on it with them). 2. They finished after I mailed the art to Square 1 art ( I will notify you as soon as I am able to upload their work electronically...you will need to access everything from Square 1's website. I'll contact you soon with better instructions). OR 3. They lost it already!!?? If that happens just let me know, I can help you out!*
- *Unfortunately art sent in late (like the above mentioned) apparently will not credit our fundraiser when placing orders. I would still suggest that you ask or "insist" that it does. They may allow it? But please only do what you are comfortable with.*

Thank you for sending all your super artists my way each week!

Thank you,  
Sandy Borkowski
