

# WINONA AREA TOYS *for* KIDS

Winona Area Toys for Kids is a non-profit organization that assists local families by providing toys for their children during the holiday season. We require no sort of financial verification for participants and operate solely on donations. Last year, we provided toys to 900+ children from 350 families, serving Winona, Lewiston, and the Wisconsin communities of Cochrane, Fountain City, and Buffalo City. ID's are required for yourself and the child(ren) you are shopping for.
