3. If a specialist classroom teacher is absent and a sub cannot be found, there are two options:
   a. A general education classroom teacher may use the specialist classroom and substitute plans to deliver the prescribed curriculum to their students if they choose to do so.
b. admin may cancel that specialist student contact time for that day.

4. If a SPED/Title/ADSIS teacher is absent and a sub cannot be found, admin will cancel that day’s student sessions.
