**BLUFFVIEW MONTESSORI SCHOOL  
POLICY 534  
SCHOOL MEALS POLICY**

**I. PURPOSE**

The purpose of this policy is to ensure that students receive healthy and nutritious meals through Bluffview Montessori School's nutrition program and that Bluffview Montessori School employees, families, and students have a shared understanding of expectations regarding meal charges. The policy seeks to allow students to receive the nutrition they need to stay focused during the school day and minimize identification of students with insufficient funds to pay for a la carte items or second meals as well as to maintain the financial integrity of the school nutrition program.

**II. PAYMENT OF MEALS**

- A. Students/families have use of a meal account. Only a la carte or second meals will be charged. When the balance becomes low, a notification is sent home. Parents can make a payment in the school office or online.

If Bluffview Montessori School participates in the United States Department of Agriculture National School Lunch program and has an Identified Student Percentage below the federal percentage determined for all meals to be reimbursed at the free rate via the Community Eligibility Provision must participate in the free school meals program.

- B. A school that participates in the United States Department of Agriculture National School Lunch program and has an Identified Student Percentage at or above the federal percentage determined for all meals to be reimbursed at the free rate must participate in the federal Community Eligibility Provision in order to participate in the free school meals program.
- C. Each school that participates in the free school meals program must:
1. participate in the United States Department of Agriculture School Breakfast Program and the United States Department of Agriculture National School Lunch Program; and

2. provide to all students at no cost up to two federally reimbursable meals per school day, with a maximum of one free breakfast and one free lunch.
- D. Siblings share the same monetary account.

### **III. LOW OR NEGATIVE ACCOUNT BALANCES – NOTIFICATION**

- A. Bluffview Montessori School will make reasonable efforts to notify families when meal account balances are low or fall below zero.
- B. Families will be notified of a low balance once the balance reaches \$6. Families will be notified by email or letter.
- C. Reminders for payment of outstanding student meal balances will not demean or stigmatize any student participating in the school lunch program. A meal will not be taken away from a student with an overdrawn account. Students will receive a fully reimbursable meal in this instance as well, not a reduced meal or a substitution.

### **IV. UNPAID MEAL CHARGES**

- A. Bluffview Montessori School will make reasonable efforts to communicate with families to resolve the matter of unpaid charges. Where appropriate, families may be encouraged to apply for free or reduced-price meals for their children.
- B. Bluffview Montessori School will make reasonable efforts to collect unpaid meal charges classified as delinquent debt. Unpaid meal charges are designated as delinquent debt when payment is overdue, the debt is considered collectable, and efforts are being made to collect it.
- C. Negative balances not paid prior to the end of the school year, will be turned over to the Head of School or Head of School's designee for collection. Collection options may include, but are not limited to, use of collection agencies, claims in the conciliation court, or any other legal method permitted by law.
- D. Bluffview Montessori School may not enlist the assistance of non Bluffview Montessori School employees, such as volunteers, to engage in debt collection efforts.

- E. Bluffview Montessori School may not deny any student the opportunity to participate in bridging ceremonies or other end of the year activities due to unpaid meal charges.

**V. COMMUNICATION OF POLICY**

- A. This policy and any pertinent supporting information shall be provided in writing (i.e., mail, email, back-to-school packet, student handbook, etc.) to:
  - 1. all households at or before the start of each school year;
