(1) The Assistant Head of School (AHOS) is the District Assessment Coordinator (DAC).

- b. The Head of School, has been authorized to be the identified official with authority (IOWA) by the school board, pre-authorizes staff access for applicable Minnesota Department of Education (MDE) secure systems. The AHOS is the IOWA proxy.

- c. Annually review and recertify staff who have access to MDE secure systems.

- d. Read and complete the *Assurance of Test Security and Non-Disclosure*.

[Note: This form is available on the Minnesota PearsonAccess Next website—see Cross References for website address.]

- e. Establish a culture of academic integrity.

- f. Fully cooperate with MDE representatives conducting site visits or Minnesota Test of Academic Skills (MTAS) audits during testing.
- g. Ensure student information is current and accurate.
- h. Ensure that a current Bluffview Montessori School test security procedure is in place and that all relevant staff have been provided Bluffview Montessori School training on test administration and test security.
- i. Ensure that a current process is included for tracking which students tested with which test monitors and any other adult(s) who were present in the testing room (e.g., staff providing assistance, paraprofessionals, etc.).
- j. Confirm the Bluffview Montessori School DAC has current information and training specific to test security and the administration of statewide assessments.
- k. Confirm the Bluffview Montessori School DAC completes Pre-test Editing in the Test Web Edit System (WES).
- l. Post on the Bluffview Montessori School website the complete Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing form.

2. Responsibilities after testing.

- a. Confirm the Bluffview Montessori School DAC and Minnesota Automated Reporting Student System (MARSS) coordinator complete Post-test Editing in Test WES.
- b. Verify with Bluffview Montessori School DAC that all test security issues have been reported to MDE and are being addressed.
- c. Confirm the MARSS coordinator has updated all student records for Post-test Editing.
- d. Confirm Bluffview Montessori School DAC has finalized Bluffview Montessori School's assessment information prior to the close of Post-test Editing in Test WES.

- e. Confirm Bluffview Montessori School DAC, or designee, has access to the Graduation Requirements Records (GRR) system and enters necessary information.

B. Bluffview Montessori School DAC

- 1. Responsibilities before testing.
 - a. Serve as primary contact with MDE regarding policy and procedure questions related to test administration.
 - b. Read and complete the *Assurance of Test Security and Non-Disclosure*.
 - c. Confirm all staff who handle test materials, administer tests, or have access to secure test content have completed the *Assurance of Test Security and Non-Disclosure*.
 - (1) Maintain the completed *Assurance of Test Security and Non-Disclosure* for two years after the end of the academic school year in which testing took place.
 - d. Review with all staff the *Assurance of Test Security and Non-Disclosure* and their responsibilities thereunder.
 - e. Identify appropriate tests for students and ensure student data sent to service providers for testing are correct.
 - f. Establish Bluffview Montessori School testing schedule within the testing windows specified by the MDE and service providers.
 - g. Prepare testing conditions, including user access to service provider websites, preparing readiness for online testing, preparing a plan for tracking which students test on which computers or devices, ensure accommodations are indicated as necessary, providing students with opportunity to become familiar with test format, item types, and tools prior to test administration; establishing process for inventorying and distributing secure test materials where necessary; preparing procedures for expected and unexpected situations occurring during testing; planning for addressing technical issues while testing; identify staff who will enter student

responses from paper accommodated test materials and scores from MTAS administration online.

- h. Train school test monitors, MTAS test administrators, and ACCESS (test for English language learners) and Alternate ACCESS test administrators.
 - (1) Provide training on proper test administration and test security (Pearson's Training Management System).
 - (2) Verify staff complete any and all test-specific training.
- i. Maintain security of test content, test materials, and record of all staff involved.
 - (1) Receive secure paper test materials from the service provider and immediately lock them in a previously identified secure area, inventory same, and contact service provider with any discrepancies.
 - (2) Organize secure test materials for online administrations and keep them secure.
 - (3) Define chain of custody for providing test materials to test monitors and administrators. The chain of custody must address the process for providing test materials on the day of testing, distributing test materials to and collecting test materials from students at the time of testing, keeping test materials secure between testing sessions, and returning test materials after testing is completed.
- j. Confirm that all students have appropriate test materials.

2. Responsibilities on testing day(s).

- a. Conduct random, unannounced visits to testing rooms to observe staff adherence to test security and policies and procedures.
