**BLUFFVIEW MONTESSORI SCHOOL
POLICY 905
ADVERTISING**

I. PURPOSE

The purpose of this policy is to provide guidelines for the advertising or promoting of products or services to students and parents in the schools.

II. GENERAL STATEMENT OF POLICY

Bluffview Montessori School's policy is that the name, facilities, staff, students, or any part of Bluffview Montessori School shall not be used for advertising or promoting the interests of a commercial or nonprofit agency or organization except as set forth below.

III. ADVERTISING GUIDELINES

- A. School publications, including publications such as programs and calendars, may accept and publish paid advertising provided they receive advance approval from the appropriate administrator. In no instance shall publications accept advertising or advertising images for alcohol, tobacco, drugs, drug paraphernalia, weapons, or obscene, pornographic, or illegal materials. Advertisements may be rejected by Bluffview Montessori School if determined to be inconsistent with the educational objectives of Bluffview Montessori School or inappropriate for inclusion in the publication. For example, advertisements may be rejected if determined to be false, misleading, or deceptive, or if they relate to an illegal activity or antisocial behavior. The faculty advisor is responsible for screening all such advertising for appropriateness, including compliance with the Bluffview Montessori School policy prohibiting sexual, racial, and religious harassment.
- B. The school board may approve advertising in Bluffview Montessori School or on Bluffview Montessori School property. Any approval will state precisely where such advertising may be placed. The restrictions listed in Section A. above will apply. Advertising will not be allowed outside the specific area approved by the school board. Specific advertising must be approved by the Head of School or designee. In no instance will an advertising device be erected or maintained within 100 feet of a school that is visible to and primarily intended to advertise and inform or to attract or which does attract the attention of operators and occupants of motor vehicles.
- C. Donations which include or carry advertisements must be approved by the school board.

- D. Bluffview Montessori School may acknowledge a donation it has received from an organization by displaying a “donated by,” “sponsored in part by,” or a similar by-line with the organization’s name and/or symbol on the item. Examples include activity programs or yearbooks.
- E. Nonprofit entities and organizations may be allowed to use the Bluffview Montessori School name, students, or facilities for purposes of advertising or promotion if the purpose is determined to be educationally related and prior approval is obtained from the school board. Advertising will be limited to the specific event or purpose approved by the school board.
- F. Contracts for computers or related equipment or services that require advertising to be disseminated to students will not be entered into or permitted unless done pursuant to and in accordance with state law.
- G. The inclusion of advertisements in Bluffview Montessori School publications, in Bluffview Montessori School, or on Bluffview Montessori School property does not constitute approval and/or endorsement of any product, service, organization, or activity. Approved advertisements will not imply or declare such approval or endorsement.

IV. ACCOUNTING

Advertising revenues must be accounted for and reported in compliance with UFARS. A periodic report shall be made to the school board by the Head of School regarding the scope and amount of such revenues.
