Art Supply List for the Art Room 2019-2020  
Bluffview Montessori School  
Grades 1-8  

1st grade  
New Sketchbook - 40+ pages fine, size approximately 8"x10" - 9"x12". Please write the student's first and last name and classroom on cover of sketchbook before bringing to school.

1st through 8th grades:  
Each student should bring in $5 this year to art instead of individual supplies. Please designate to art.

All Sketchbooks  
If your child kept their sketchbook at school over the summer there is no need to purchase a new sketchbook. If your child took it home and it is in good condition and it has at least 25-30 blank pages please do not purchase a new one. Just return that one to school. A new sketchbook will only need to be purchased if your child used theirs up, or misplaced it over the summer. 1st graders and students new to Bluffview will need to purchase their first sketchbook for art class. (I have several extra sketchbooks if your child needs one as another option) Please clearly write your child’s name and classroom on the front cover before bringing to school. Thank you! :)

Important: Please write “ART” on all materials as needed prior to bringing in to school so they are not confused with classroom supplies. Thank you!

*Donations of large/extra large plastic ziplock baggies also appreciated for projects.
