{YEL!} BRICKTOPIA MASTER BUILDERS CAMP

Entering grades 1-5

Are you up for a LEGO® Brick challenge? Do you have what it takes to be a Master Builder? If so, you are in the right place. We've saved our most challenging engineering projects (a robotic dog, motorized bug, race cars and more) for this camp. All challenging for any connoisseur of LEGO® bricks. Students then use these projects (and more) to investigate engineering concepts. We keep it fun too with open ended, creative projects for the students. Unshackle the ball and chain of summer brain drain. Sign up today. Visit YELKids.com for sample pictures and more details.
