ENJOY ENGAGE EXPERIENCE Camp Wenonah

June 9–August 8, 2025
7:30am–5pm

Registration
is OPEN!

Your adventure awaits!

A summer at Camp Wenonah is a meaningful experience full of lasting memories and friendships, learning new skills, and developing character. Few environments are as special as camp, where participants form a community. Camp teaches self-reliance, a love for nature and the outdoors, and the development of attitudes and practices that build character and leadership.

- Age groups K–8 (entering in the fall)
- Drop off between 7:30–8:30am; pick up between 4:30–5pm

NEW Option Pricing

We recognize how vital camp is to the social, physical, and emotional development of children. Camp Wenonah has new "option pricing" to ensure that families can find a place for Camp in their budget AND support our increased cost to operate. Please consider selecting the highest tier that your family can afford. All campers receive the same experience no matter what they pay, and their selections are confidential.

- \$250: actual cost of operating camp, including wear and tear on equipment and depreciation.
- \$200: our historically standard rate, which is partially subsidized.
- \$150: subsidized even greater through the generosity of our donors.

In addition, the YMCA has a Financial Assistance program that subsidizes program fees above and beyond the option pricing. It is based on family size and income, and is easy and confidential.
