BLUFFVIEW MONTESSORI SCHOOL  
POLICY 501 ADMISSIONS  

I. PURPOSE  
The purpose of this policy is to provide guidelines for enrollment of students to BMS.

II. GENERAL STATEMENT OF POLICY  
The Bluffview Board of Directors believes that parents have the responsibility to select the most appropriate educational programs for their children and that parental commitment to the educational program is a significant and positive choice. The Board also recognizes that choice in the selection of a public school provides parents and learners an opportunity to seek a school that best fits their needs and interests. This policy addresses the terms and conditions of student enrollment in Bluffview Montessori School.

III. ADMISSION REQUIREMENTS  
A. Children’s House Pre-School  
1. Children must be 33 months of age by their first date of attendance.  
2. Children must be toilet trained.  
3. Enrollment of classroom shall not exceed 20 children with a ratio of one adult per every ten children enrolled.  
4. Continued enrollment is subject to the child’s ability to contribute to the classroom community and flourish in the Montessori learning environment as determined by the teaching team.  
5. Enrolled Preschool children will be given preference for the following year if they are remaining in the Pre-K program if enrollment paperwork is submitted by the Kindergarten lottery date.  
6. Preference for enrollment shall be given to a sibling of an enrolled pupil (Pre-K or Charter School), to a foster child of that student’s parents, and children of school staff if enrollment paperwork is submitted by the Kindergarten lottery date.  
7. After preferences are filled, full time students will be offered enrollment first according to the submission date on their enrollment paperwork. Remaining vacancies will be filled as applications fit the needs of the program. Any preferences listed in item 5 or 6 will move to the front of any enrollment waiting list.

B. Kindergarten through eighth grade  
1. Children must be age 5 by September 1st of the current school year to enter Kindergarten. The parent of a child whose fifth birthday falls between September 2nd and September 30th inclusive may request early admission of that child to kindergarten under conditions described in Policy 502.  
2. Students must live in the State of Minnesota.  
3. One of the following conditions must be met:  
   a. The custodial parent of a student must live in Minnesota

4. Eligible students who submit a timely application shall be enrolled, unless the number of applications exceeds the capacity of classroom (elementary-25, and middle school-40), Montessori program level (kindergarten-25, lower elementary-75, upper elementary-75, and middle school-40) or entire school program (215). The classroom or program level may only be overenrolled under special circumstance and at the discretion of the teaching level team. 

a. If the number of applications exceed the number of openings then students shall be accepted by lottery. Lottery drawing takes place in February.

b. A drawing shall be held at each grade level if the number of applicants exceeds the positions available.

c. Preference for enrollment shall be given to a sibling of an enrolled pupil and to a foster child of that student’s parents before accepting other students by lot. Preference for enrollment shall also be given for children of school staff.
