

**BLUFFVIEW MONTESSORI SCHOOL
POLICY 616
SCHOOL DISTRICT SYSTEM ACCOUNTABILITY**

I. PURPOSE

The purpose of this policy is to focus public education strategies on a process which promotes higher academic achievement for all students and ensures broad-based community participation in decisions regarding the implementation of the Minnesota Academic Standards and federal law.

II. GENERAL STATEMENT OF POLICY

Implementation of the Minnesota Academic Standards and federal law will require a new level of accountability for Bluffview Montessori School. Bluffview Montessori School will establish a system to transition to the graduation requirements of the Minnesota Academic Standards. Bluffview Montessori School also will establish a system to review and improve instruction, curriculum, and assessment which will include substantial input by students, parents or guardians, and local community members. Bluffview Montessori School will be accountable to the public and the state through annual reporting.

III. DEFINITIONS

- A. "Credit" means a student's successful completion of an academic year of study or a student's mastery of the applicable subject matter, as determined by Bluffview Montessori School.
- B. "Graduation Standards" means the credit requirements and locally adopted content standards or Minnesota Academic Standards that school districts must offer and certify that students complete to be eligible for a high school diploma.
- C. "World's best workforce" means striving to: meet school readiness goals; have all third grade students achieve grade-level literacy; close the academic achievement gap among all racial and ethnic groups of students and between students living in poverty and students not living in poverty; have all students attain career and college readiness before graduating from high school; and have all students graduate from high school.

IV. ESTABLISHMENT OF GOALS; IMPLEMENTATION; EVALUATION AND REPORTING

A. Bluffview Montessori School Goals

1. The school board has established Bluffview Montessori School -wide goals which provide broad direction for Bluffview Montessori School. Incorporated in these goals are the graduation and education standards contained in the Minnesota Academic Standards and federal law. The broad goals shall be reviewed annually and approved by the school board. The school board shall adopt annual goals based on the recommendations of Bluffview Montessori School's District Advisory Committee.
2. The District Advisory Committee will be established by the school board to ensure active community participation in all phases of planning and improving the instruction and curriculum affecting state and district academic standards.
3. Bluffview Montessori School -wide improvement goals should address recommendations identified through the District Advisory Committee process. Bluffview Montessori School's goal setting process will include consideration of individual site goals. Bluffview Montessori School goals may also be developed through an education effectiveness program, an evaluation of student progress committee, or through some other locally determined process.

- B. System for Reviewing All Instruction and Curriculum. Incorporated in the process will be analysis of Bluffview Montessori School's progress toward implementation of the Minnesota Academic Standards. Instruction and curriculum shall be reviewed and evaluated by taking into account strategies and best practices, student outcomes, principal evaluations under Minn. Stat. § 123B.147, Subd. 3, and teacher evaluations under Minn. Stat. § 122A.40, Subd. 8, or 122A.41, Subd. 5.

Academic Standards Area	MDE Designated Year for completion of Full Standards Implementation
Arts	2023-2024
Physical Education (must adopt SHAPE America's National Standards & Grade-Level Outcomes for K-12 Physical Education)	2023-2024
Science	2024-2025
English Language Arts	2025-2026
Social Studies	TBD (likely 2026-2027)
Mathematics	TBD (likely 2027-2028)

Tasks to be completed by full implementation date designated by MDE or locally:

1. Review and revise learning targets and curriculum maps to new standards.
2. Review and revise formative and summative assessments to new standards.
 - a. Align with MCA test specifications where applicable.
 - b. Identify student learning data to be used in monitoring years in the cycle.
3. Review and revise vertical alignment.
4. Adopt and align curriculum materials to new standards.

Tasks to be completed from the full implementation year to the next standard revision year:

1. Monitor the student learning results (formative and summative, MCA test data when applicable).
2. Monitor fidelity of the implementation of the curriculum materials and standards.

C. Implementation of Graduation Requirements

1. The District Advisory Committee shall also advise the school board on implementation of the state and local graduation requirements, including K-12 curriculum, assessment, student learning opportunities, and other related issues. Recommendations of the District Advisory Committee shall be published annually to the community. The school board shall receive public input and comment and shall adopt or update this policy at least annually.
2. The school board shall annually review and determine if student achievement levels at Bluffview Montessori School meet federal expectations. If the school board determines that student achievement levels at Bluffview Montessori School do not meet federal expectations and Bluffview Montessori School has not made adequate yearly progress for two consecutive school years, the District Advisory Committee shall work with Bluffview Montessori School to adopt a plan to raise student achievement levels to meet federal expectations. The District Advisory Committee may seek

assistance from the Commissioner of the Minnesota Department of Education (MDE) (Commissioner) in developing a plan which must include parental involvement components.

3. The educational assessment system component utilized by the school board to measure individual students' educational progress must be based, to the extent annual tests are administered, on indicators of achievement growth that show an individual student's prior achievement. Indicators of achievement and prior achievement must be based on highly reliable statewide or districtwide assessments. The school board will utilize models developed by the Commissioner for measuring individual student progress. The school board must coordinate with MDE in evaluating school sites and continuous improvement plans, consistent with best practices.

D. Comprehensive Continuous Improvement of Student Achievement

1. By 12/15 of each year, the District Advisory Committee will meet to advise and assist Bluffview Montessori School in the implementation of the Bluffview Montessori School system accountability and comprehensive continuous improvement process.
2. The District Advisory Committee, working in cooperation with other committees of Bluffview Montessori School [*such as the Technology, Educational Effectiveness, Grade Level, Site Instruction, Curriculum and Assessment Committees, etc.*], will provide active community participation in:
 - a. Reviewing the Bluffview Montessori School instructional and curriculum plan, with emphasis on implementing the Minnesota Academic Standards;
 - b. Identifying annual instruction and curriculum improvement goals for recommendation to the school board;
 - c. Making recommendations regarding the evaluation process that will be used to measure Bluffview Montessori School progress toward its goals;
 - d. Advising the school board about development of the annual budget.

3. The District Advisory Committee shall meet the following criteria:
 - a. The District Advisory Committee shall ensure active community participation in all planning for instruction and curriculum affecting Graduation Standards.
 - b. The District Advisory Committee shall make recommendations to the school board on Bluffview Montessori School -wide standards, assessments, and program evaluation.
 - c. Building teams may be established as subcommittees to develop and implement an education effectiveness plan and to carry out methods to improve instruction, curriculum, and assessments as well as methods to use technology in meeting the Bluffview Montessori School improvement plan.
 - d. A local plan to evaluate student progress, using a local process, shall be used for developing a plan for assessment of student progress toward the Graduation Standards, as well as program evaluation data for use by the District Advisory Committee in the instruction and curriculum review process. This plan shall annually be approved by the school board.
4. The District Advisory Committee shall, when possible, be comprised of at least two-thirds community representatives and shall reflect the diversity of the community. To the extent possible, the District Advisory Committee shall reflect the diversity of Bluffview Montessori School and include teachers, parents, support staff, students, and other community residents. Included in its membership should be:
 - a. The Director of Curriculum (or similar educational leader)
 - b. Head of School
 - c. School Board Member
 - d. Student Representative
 - e. One teacher from each instructional level
 - f. Two parents from each building or instructional level

- g. Two residents without school-aged children, non-representative of local business or industry
 - h. Two residents representative of local business or industry
 - i. Bluffview Montessori School Assessment Coordinator (if different from “a.” above)
- 5. Translation services should be provided to the extent appropriate and practicable.
 - 6. The Advisory Committee shall meet the following timeline each year:
 - Oct/Nov: Organizational meeting of the Committee to review the authorizing legislation and the roles and responsibilities of the Committee as determined by the school board.
 - Oct/Nov: Agree on the process to be used. Become familiar with the instruction and curriculum of the cycle content area.
 - Oct/Nov: Review evaluation results and prepare recommendations.
 - Dec: Present recommendations to the school board for its input and approval.

E. Evaluation of Student Progress Committee. A committee of professional staff shall develop a plan for assessment of student progress toward Literacy by Grade 3, the Graduation Standards, as well as program evaluation data for use by the District Advisory Committee to review instruction and curriculum, cultural competencies, including cultural awareness and cross-cultural communication, and student achievement at the school site. This plan shall annually be approved by the school board.

F. Reporting

- 1. Consistent with Minn. Stat. § 120B.36, Subd. 1, the school board shall publish a report in the local newspaper with the largest circulation in the district, by mail, or by electronic means on the Bluffview Montessori School website. The school board shall hold an annual public meeting to review and revise, where appropriate, student achievement goals, local assessment outcomes, plans,

strategies, and practices for improving curriculum and instruction and cultural competency and efforts to equitably distribute diverse, effective, experienced, and in-field teachers, and to review Bluffview Montessori School success in realizing the previously adopted student achievement goals and related benchmarks and the improvement plans leading to the world's best workforce. The school board must transmit an electronic summary of its report to the Commissioner in the form and manner the Commissioner determines. Bluffview Montessori School shall periodically survey affected constituencies in their native languages, where appropriate and practicable, about their connection to and level of satisfaction with school. Bluffview Montessori School shall include the results of this evaluation in its published reports and in its summary report to the Commissioner.

2. The school performance report for Bluffview Montessori School must include performance reporting information and calculate proficiency rates as required by the most recently reauthorized Elementary and Secondary Education Act.
