2021 Testing and Progress Monitoring Updates

- Winter progress monitoring on Fastbridge will open January 3rd
- WIDA assessments were ordered for 1 EL student.
- MDE will return to all standard operating procedures for MCAs this year.
- All fourth graders will take the National Assessment for Educational Progress on March 1st.

Other AHOS Updates

- The Young Reporters Club is doing well. Two students will interview the mayor and publish their first column in the Post in January.
- We are at full capacity for the Soundtrap Sessions and students will share their projects in a virtual concert at 6:30 p.m. on 12/23 for friends and family who want to link in.
- We are participating in the HVED Reading Community of Instructional Practices that meets monthly.
- We will be part of a 5-month cohort as part of MDE's COMPASS initiative that will lead us through a full inventory of our reading, math, social, and emotional needs post-COVID.
