Welcome to Bluffview Montessori School

Brief History

Bluffview Montessori School was established in 1967 as a private preschool. In 1987, it expanded to include elementary students. In March 1993, Bluffview Montessori became the first Montessori Charter School in the United States, District 4001. Bluffview Montessori School is sponsored by the Volunteers of America and must meet requirements specified in the charter agreement, which is renewed every five years. In 1998 Bluffview Montessori School expanded its program to include middle school students.

Bluffview Today

Bluffview Montessori School offers a unique educational choice to families in Winona and the outlying community. Bluffview provides public education using the teaching methods and philosophy of Dr. Maria Montessori.

Children attend classes in mixed age learning environments. 1st through 3rd grade students learn together in our Lower Elementary classes. Our Upper Elementary classes include 4th through 6th grade students, and 7th and 8th grade students learn together in our Erdkinder program (junior high). Bluffview Montessori School also offers a fee-based preschool program known as Children's House for children ages 33 months through 6 years. Kindergarten children enrolled in the charter school are included in the mixed age Children's House program.

Each classroom has a lead teacher and teaching assistant. Within the Montessori environment, teachers present lessons, but most of the student's education is introduced on an individual level using manipulable Montessori materials known as "didactic materials." Curriculum is divided into five main areas: language arts, mathematics, geometry, cultural studies (science and history) and geography. These subjects are often integrated with one another. Art, music (instrumental and vocal), and physical education, are taught by teachers certified in those specialty areas. Bluffview Montessori School also provides Special Education, Title I, ADSIS, and Student Health Services.

The Children's House preschool program is a five day per week program. The Montessori curriculum, using Montessori methods and materials, is presented to children by Montessori trained staff. The program includes practical life activities, sensorial (learning through the senses), language, math, cultural, and social activities. Children's House students may enroll in a half-day (7:45- 10:45) or 2, 3, or 5 full- day program (7:45 a.m. to 2:10 p.m.).

Governing Organization

Bluffview Montessori School is a nonprofit, tax-exempt 501C-3 organization incorporated in 1970. The Bluffview Montessori School's Board of Directors (BOD) consists of a community member, parents, and teachers. The majority of seats must be held by licensed teachers. The staff and parents of the school elect members for three- year terms at the Annual Membership Meeting each May. All BOD meeting minutes are posted on the school's [website](#). The dates of board meetings are shown on the school website calendar, posted on the Children's House I bulletin board, and published on the website. Board meetings are open to the public. Parents are encouraged to attend.

Copies of the complete By-laws of Bluffview Montessori School are available in the school office and on the school [website](#).

Authorizer

Volunteers of America – Minnesota (VOA) serves as Bluffview Montessori School's charter school authorizer. For more information, see the [website](#).

Vision Statement

Empowered learners unfolding their full potential as whole and unique persons in a global community.

Mission Statement

Bluffview Montessori School empowers self-directed learning through a materials-based Montessori curriculum that encourages independence and natural curiosity. Bluffview cultivates learners' deep respect for self, community, and a peaceful environment while nourishing the intrinsic desire for academic, civic, and personal fulfillment.

PART I - INFORMATION

Admission Requirements

1. Preschool children must be 33 months of age to enroll in the Children's House and should also be toilet trained.
2. Preschool children should have language development sufficient to meet their needs in a classroom environment.
3. Children must be age 5 by September 1st of the current school year in order to enter Kindergarten. Bluffview does not offer early kindergarten enrollment.
4. The following forms must be on file prior to the first day of school:
 - Enrollment form (for new students)
 - Health form including immunization records
 - Emergency Information
 - Contract form and deposit (Children's House Preschool)
 - Early Childhood Screening records (Kindergarten only)
 - Previous school records, or a signed *Release of Information Form* allowing Bluffview to obtain a copy of these records (for transfer students)
 - Information regarding Individual Education Plans (IEP) if applicable

After School Programs

After school programs are available at Bluffview Montessori School from 2:10 p.m. to 5:30 p.m and are run by the YMCA for grades K-6. For further information, please contact the Y at 507-454-1520. Preschool aged students can sign up for After School Care through Bluffview at the rate of \$5.00/hr. This program runs from 2:10 until 5:00.

Parents and guardians are required to sign their children out of the after school programs in order to assure the safety of children and to enable accurate billing of fees. In addition, parents or guardians must designate specific persons who will be authorized to pick up their children from after school programs.

Arrival and Dismissal Hours

School is in session 7:45 am to 2:10 pm. Students should not arrive at school earlier than 7:15 a.m. Students riding the bus will be dismissed first. Parents picking up students should arrive between 2:20 and 2:30. Parents will be called for any student not picked up by 2:30 p.m.

Bicycles

Bicycles are permitted and encouraged as a mode of transportation to and from school. For the safety of all students, bicycles may not be ridden on school grounds. Students must walk bicycles on school grounds and park them in the bike rack. Parents and guardians should be aware that students bring bicycles to school at their own risk and that bicycles

should be locked up during the school day.

Billing

Parents or guardians of preschoolers will receive invoices each month for tuition. Reminders for past due fees will be mailed home.

Birthday/Holiday Treats

Because food allergies pose a life-threatening risk to some students, homemade birthday and holiday treats may not be distributed in classrooms. All birthday and holiday treats must be commercially manufactured and be delivered in the original packaging for distribution to students. Peanuts and snacks containing peanuts are not allowed in the Children's House classrooms.

Please do not send birthday party invitations to school for distribution.

For a variety of reasons, E2 classrooms do not formally celebrate birthdays or holidays, and request students do not bring treats to school. Please see the annual E2 orientation letter from your classroom teacher for further details.

In August, the transportation office will send transportation schedules to each eligible family with estimated pick-up and drop-off times.

Some children make transfers in order to get to school or home from school. The bus your child takes from Bluffview to their transfer point may be a different numbered bus than the bus they ride to school. It is helpful to write the bus number, parent's name and telephone numbers on a card and place it in your child's backpack so that transportation staff can contact parents if needed.

You may follow your child's bus the first few days of school to observe your child transferring to the right bus or exiting at the correct stop. Your child may not feel comfortable or understand the bus route as easily as an adult so please take the time to go over the bus route with them.

Please be aware that times will vary considerably the first two weeks of school. Thereafter, pick-up and drop-off times are set and children must be at the bus stop at least 5 minutes prior to the scheduled pick-up time.

Type III School Bus (Faculty provided) Transportation

Faculty members may use their vehicles to transport students for field trips and other off-campus school activities. When doing so, their vehicles become Type III School Buses and their use is subject to state laws and regulations. For instance, seat belts must be provided for each child in the car or van, and if the car or van has a passenger air bag, the student must sit in the back seat. Students cannot be transported in a convertible or the back of a pick-up truck.

All Type III School Buses must have safety equipment and a pre-trip inspection log aboard. Bluffview's safety "go-kits" and pre-trip inspection forms are available from the Head of School. See policy 709, "Student Transportation Safety Policy", on the Bluffview [website](#) for more information.

Calendar

Bluffview's School calendar correlates with the Winona Area Public Schools calendar. The 2025-2026 school year begins on Tuesday, September 2, 2025 and ends on Thursday, June 4, 2026. A copy of the school calendar can be found in Appendix A and on the [website](#). Detailed monthly calendars are also posted on the [website](#).

Change of Address

Please notify the school office promptly concerning changes of address, phone numbers or emergency information, including email addresses. It is very important that we keep our records current.

Child Abuse Reporting

Under Minnesota law, the reporting of suspected physical abuse, sexual abuse and neglect is required of all educational and health care professionals. Bluffview staff members are mandated reporters and must comply with these reporting laws. The CPS phone number to report to is 507-457-6500.

Complaints

The normal channel for complaints concerning Bluffview Montessori School shall be made from parent, guardian, or student to the person directly involved and then, if necessary, to the administration and the Board of Directors. Every effort will be made to satisfy the complainant at the earliest level. Please use the **Incident Report** (See Appendix B) to initiate a formal complaint to administration or to the board of directors.

Contacting Teachers

During the school year, the office is open from 7:15 a.m. to 3:30 p.m. Teachers may or may not be reachable by telephone during the school day. However, parents are always welcome to leave a message on the teacher's voice mail or send an email. Teachers will check voicemail and email daily and will respond as soon as possible. Teachers are available to meet with parents or guardians before or after school by appointment.

Dual Reporting

The names and addresses of parents or guardians are included in a student's file. In the case of a student whose parents' marriage has been dissolved, a certified copy of the Order of Dissolution, as well as any subsequent modification of the order, needs to be on file. Unless otherwise decreed in the order, information commonly made available to parents or guardians of any student will be provided to both parents and guardians.

Early Childhood Screening

Early Childhood Screening is a requirement of the State of Minnesota prior to admission to Kindergarten for public schools. This does not apply to charter schools. However, Bluffview still highly recommends having this screening done as it helps identify, at an early stage, possible learning or health concerns, and also helps to identify children who may benefit from school and community resources which may help with their development. This free screening is offered through the Winona School District. It is preferred that the screening be completed when the child is 3 or 4. The screening program runs from the end of September to the first of May. It is offered to all preschool children and includes vision, hearing, speech and developmental screening. A discussion with a school nurse will review the dental, nutritional and immunization status of the child. To schedule an appointment, please call 507-494-0915 or go to www.winonaschools.org/screening.

Email List Serves

Bluffview maintains several email list serves for the use of parents and staff. All families

will be included in the **All School List Serve** and **Bluffview Newsletter** unless the school is notified otherwise. If you do not wish to be included, or you are not receiving these emails, please email renknutson@bluffviewmontessori.org.

Employee Directory

The employee directory can be found on the [website](#).

Employment Background Checks

Bluffview Montessori School will seek criminal history background checks for all applicants who receive an offer of employment. Bluffview Montessori School may seek criminal history background checks for volunteers and field trip chaperones.

Enrollment

Bluffview Montessori School is a public school. Enrollment at Bluffview Montessori School is open to the entire community. We do not discriminate on the basis of race, color, creed, sex, or place of national or ethnic origin.

Open enrollment for the fall begins the previous January. Bluffview Montessori School accepts applications for student vacancies throughout the year. Public announcements regarding openings at each grade level are based on projected enrollment. If there are no vacancies, applicants will be placed on grade-specific waiting lists. Enrollment is solely dependent on space availability. **Bluffview Montessori School must give enrollment preference to a Minnesota resident pupil over pupils that do not reside in Minnesota. Bluffview Montessori School must require a pupil who does not reside in Minnesota to annually apply to enroll in accordance with Minnesota Statutes, section 124E.11, paragraphs (a) to (f).** Siblings of currently enrolled students and the children of faculty are given priority enrollment. See policy 509, “Admissions and Enrollment”, on the [Bluffview website](#) for more information.

According to our charter agreement, all spaces in the charter school filled during open enrollment are drawn from waiting lists that are constructed by lottery (2nd week of Feb). If space exists after this time, children are admitted from waiting lists that are built on a first-come, first-served basis. If there are more applications for a grade level than there are vacancies, a drawing will be conducted in accordance with the process specified in the charter agreement (Please refer to the school office for further information.)

Fees

All Montessori materials, novels and library books, textbooks, computers and other resource materials are supplied by Bluffview Montessori School. Teachers will present the appropriate use and care of these materials to their students. If through carelessness or intent, a student damages instructional materials or classroom furniture, a replacement cost may be assessed.

Students are expected to provide their own school supplies. Students may be asked to pay certain other fees or deposits, including (not an inclusive list):

- A classroom snack fee will be assessed to each student. This \$80 fee is used to purchase daily snacks throughout the school year. This fee should be remitted to the front office by the beginning of each school year.
- A \$5 donation for planners for students in grades 4-6. This can be remitted to the front office by the beginning of the school year.
- Cost for materials for a class project that exceeds minimum requirements and is kept by the student.
- Items of personal use or products that a student has an option to purchase such as yearbooks.
- Field trips considered supplementary to the district's educational program.
- Admission fees or costs to attend or participate in optional extracurricular activities and programs.
- Use of musical instruments owned or rented.
- Tuition and After School Care for preschool program.

Bluffview Montessori School may waive a required fee or deposit if the student and parent/guardian are unable to pay. For more information, contact Henry Schantzen, Head of School.

Gum and Candy

Gum and candy are prohibited in classrooms and on school grounds at all times.

Gym Shoes

Parents/guardians must provide non-marking rubber soled shoes (tennis shoes are suggested) for participation in Physical Education. Children are required to have this type of shoe available for use daily.

Inclement Weather

All school closings, delays in school openings or early dismissals due to inclement weather will be communicated on Winona and La Crosse radio and television stations, via text messaging, email, telephone, and on our school [website](#). If not receiving these messages, contact the front office. Communications referring to the **Winona Area Public Schools** will pertain to Bluffview Montessori School as well. Parents and guardians should make advance arrangements for their children in the event of closings, delays or early dismissals.

Inspection of Property

Individuals entering the premises of Bluffview Montessori School, whether students, employees or guests, are expected to conduct themselves in keeping with established norms for personal conduct. In order to provide students and employees with a safe and healthy environment, Bluffview Montessori School reserves the right, at its sole

discretion, to conduct inspections of students and visitors who are on school property. The personal possessions of students, employees, and guests may be searched whenever the school administration has *reasonable suspicion* that the search will uncover evidence of a violation of law or of school rules.

Inspections may include, but not limited to: 1) lockers/cubbies; 2) knapsacks, briefcases, lunch bags, gym bags or similar devices brought onto or existing on Bluffview Montessori School premises; and 3) clothing (with appropriate safeguards for the individual's personal privacy).

As soon as practical after the search of a student's personal possessions, the school administration must provide notice of the search to the student, unless disclosure would impede an ongoing investigation by police or the school administration. See Policy 502, "Search of Student Lockers, Desks, Personal Possessions, and Student's Person", on the [website](#), for further information.

Instrumental Music Program

Students in Grades 5-8 are invited to participate in the instrumental music program. Our instrumental music program includes individual and/or group lessons and participation in an instrumental performance.

Library

The library offers a variety of materials available for check out by students. Fines for overdue library books and replacement costs for lost or damaged books will be assigned by the librarian. The fines and replacement costs are expected to be paid in a timely fashion. A copy of Bluffview Montessori School's Policy 606.5, "Library Policy", may be obtained on the Bluffview [website](#) or from the front office.

Lost and Found

Each year, mittens, sweaters, hats, boots and lunch boxes are turned into the *Lost and Found* and are never claimed. Labeling your child's articles of clothing, boots and shoes with permanent ink is strongly recommended. If your child has lost items of clothing, please make an effort to check the *Lost and Found* baskets, which are located in the front entranceway. Items of higher value, such as jewelry, may be held in the office.

Unclaimed *Lost and Found* items will be donated to Winona Volunteer Services or Goodwill periodically. The loss of an article of value should be reported to the classroom teacher or to the office.

Lunch

Children's House and Elementary students will enjoy lunch in the Community Room. Erdkinder students will eat lunch in the Hillview Eatery outside of their classroom. Table manners and courtesy are expected of all students. Similarly, students should demonstrate respect for cafeteria supervisors and obey their directives. Misbehavior during the lunch period may result in a student being denied the privilege of eating with their classmates.

Cold lunches may be brought from home. We encourage students who bring their lunch to include a variety of nutritious foods and drinks. Please do not send candy as a dessert. Soda pop and fast food are not allowed. Milk can be purchased for \$0.55/container.

The use of recyclable containers is encouraged as they allow students to participate in learning how to limit waste in our environment.

Breakfast and hot lunches are served daily. A monthly lunch menu will be published on the schools [website](#). Milk, fruit and vegetables are included with all hot lunches. One breakfast and one lunch are provided for free each day. Each additional entrée for lunch is \$2.00.

See Appendix C for Policy 534, “School Meals Policy”.

Messages to Students

Office staff will not deliver messages to children on behalf of their parents except in the case of emergency or urgent change of after school arrangements. Similarly, barring an emergency situation, a student will not be called to the telephone or be able to use the telephone during school hours. The telephone is not intended for the general use of students and after school arrangements should be made prior to school. Personal cell phone use during the instructional day is prohibited.

Nondiscrimination

Bluffview Montessori School is committed to inclusive education and providing an equal educational opportunity for all students. Bluffview Montessori School does not discriminate on the basis of race, color, creed, religion, national origin, sex, marital status, parental status, status with regard to public assistance, disability, sexual orientation, including gender identity and expression, or age in its programs and activities. The school board has designated Sherry Lohmeyer, Assistant Head of School, Bluffview Montessori School, 1321 Gilmore Ave., Winona, MN 55987, (507) 452-2807 x113, slohmeier@bluffviewmontessori.org, as the district’s human rights officer to handle inquiries regarding nondiscrimination.

Notice of Violent Behavior by Students

Bluffview Montessori School will give notice to teachers and other appropriate school staff before students with a history of violent behavior are placed in their classrooms. Prior to giving this notice, an administrator will inform the student’s parent or guardian that the notice will be given. The student’s parents/guardians have the right to review and challenge their child’s records, including the data documenting the history of violent behavior. A copy of Bluffview Montessori School’s Policy 529, “Staff Notification of Violent Behavior by Students”, may be obtained on the Bluffview [website](#) or from the front office.

Parent and Teacher Conferences

Parent and teacher conferences will be held once in the fall and once in the spring. For more information, contact the front office.

Parent Volunteers

Parents/guardians are welcome in the school and are encouraged to volunteer in their children's classrooms. To volunteer in the school building or classroom, parents/guardians should contact their child's teacher. Parents/guardians who visit the school should sign in at the front office before entering a classroom. Those volunteering in a Children's House classroom may need to complete a Department of Human Services background check. Other volunteers will need to complete the MN Bureau of Criminal Apprehension background check every two years. For more information, contact the front office.

Payments

Children's House tuition, snack fees, and any other payments can be paid on our [website](#), in person, or mailed. Your child may deliver a payment to the office provided it is in an envelope marked with your family's name and the purpose for the payment. When writing a check, please make it payable to **Bluffview Montessori School** and write the purpose of the check on the comment line. Unpaid balances may be turned over to a collection agency if requests for overdue payment are denied or avoided.

Placement of Students

While effort is made to accommodate preference requests for teachers or classroom placement, final decisions will be made by the faculty in order to best meet the needs of all students. Parent Input forms are available for the following Fall beginning in January. Parents are required to observe classrooms and fill out the form in order for their request to be considered. The due date is located on the form, usually around the end of April.

Pledge of Allegiance

Bluffview Montessori School believes in an individualized approach to instruction and thus waives the statutory requirement for regular recitation of the Pledge of Allegiance. The flag will be displayed, the text of the Pledge will be made available to students, and individual students will be allowed to recite the Pledge during the day if they choose to do so. Students will be instructed in the proper etiquette toward and respect for the flag.

Recess and Play

When weather permits, students will go outside for recess. Teachers and office staff monitor the temperature along with the wind chill factor. The temperature guideline for going outside is zero degrees. The wind-chill factor will be taken into account and the general dampness of the day will also be considered. Children may use the school's playground equipment and we request that students do not bring their own personal toys or balls for use at school.

Reporting Absences

When a child is absent from school, please call the school office (507-452-2807) between 7:00-8:00 a.m. and state the reason for the absence. Parents or guardians may also leave a message on the school's voice mail or email Jillaine Zieman at jzieman@bluffviewmontessori.org to report a child's absence. If the school is not notified, attendance personnel will contact the parent/guardian at home or at work to confirm the absence and inquire about the reason. If no one is reached, the student will be marked unexcused. For detailed information, see Policy 503, "Student Attendance" (*Appendix H*).

School Communication

In order to reduce the amount of paper we use each week, Bluffview encourages online communication between home and school. News and other information are accessible on the school website and we encourage you to utilize this method for receiving information from school. If you do not have internet access and require paper copies of school communication, please inform the office of your preference. Hard copies of certain items will be sent home and for that purpose, communication folders will be sent home each Wednesday. These folders will contain important information about school and community events. At the beginning of each year, each student will be given a vinyl folder that should last throughout the school year. Some all-school announcements and information will be given to the youngest or only child in the family.

Section 504 Coordinator

Each year, Bluffview designates a 504 coordinator. The Bluffview board of Directors designated Henry Schantzen, Head of School, the 504 coordinator beginning July 1, 2025.

Contact information: Henry Schantzen
1321 Gilmore Avenue
Winona, MN 55987
507-452-2807 ext. 114

The Coordinator is responsible for all Section 504 matters pertaining to identification, evaluation and placement as well as disability discrimination.

What is Section 504?

Section 504 is a federal anti-discrimination law that protects the rights of individuals with disabilities in programs and activities that receive federal financial assistance from the US Department of Education. Recipients of this federal financial assistance include public school districts, institutions of higher education and other state and local agencies. It requires a school district to provide a "free and appropriate education, (FAPE) to each qualified student with a disability who is in the recipient's jurisdiction, regardless of the nature or severity of the student's disability." Under Section 504, FAPE provides regular or special education and related aids and services that are designed to meet the needs of individuals with disabilities as adequately as the needs of individuals without disabilities are met.

Special Committees

A number of special committees operate throughout the year to provide advice and guidance to the board of directors and administration. Parents, teachers, administrators, and board members have many chances to give time and talent to Bluffview Montessori School by serving on these committees. Committee meeting dates appear on the school calendar.

Student Records

Student records are classified as public, private, or confidential. State and federal laws protect student records from unauthorized inspection or use and provide parents/guardians with certain rights.

A permanent record for each student is kept on file in the school office. The records include the following information: progress reports, results of standardized tests, behavior and attendance records. A separate health record containing immunizations and screening reports is also kept on file for each student. A conference to review your child's file may be arranged by contacting the Head of School. For more information on the rights of parents/guardians regarding student records, see "Student Records" (*Appendix E*). A complete copy of the Bluffview Montessori School's Policy 515, "Protection and Privacy of Pupil Records", may be viewed on the school [website](#) or obtained in the school office.

Student Surveys

Occasionally, Bluffview Montessori School utilizes surveys to obtain student opinions and information about students. For complete information on the rights of parents/guardians and eligible students about conducting surveys, collection and use of information for marketing purposes, and certain physical examinations, see "Student Surveys" (*Appendix F*). A complete copy of Bluffview Montessori School's Policy 520, "Student Surveys", may be obtained on the Bluffview [website](#) or from the front office.

Tuition

Children's House monthly tuition payments are due on the last day of each month. Failure to pay past due amounts may result in the dismissal from Children's House or child care services. Students may not be allowed to begin school in the fall until the previous year's account is current or payment arrangements have been made. Outstanding balances may also result in the inability to enroll future students.

Video and Audio Recording

School Buses

All school buses used by Winona Area Public Schools may be equipped for the placement and operation of a video camera. Bluffview Montessori School will post a notice in a conspicuous location informing students that their conversations or actions may be recorded. Bluffview Montessori School and Winona Area Public Schools may use a video recording of the actions of student passengers as evidence in any disciplinary action arising from the students' misconduct on the bus.

Places Other Than Buses

Bluffview Montessori School and grounds are equipped with video cameras. Video surveillance does occur, and may be used to aid any formal or informal investigations.

Withdrawals

The following applies to students who transfer from Bluffview Montessori School:

- 1) The school office should be notified in advance if parents are planning to transfer their child to a different school.
- 2) A *Record Release Form* must be completed by the parent or guardian to allow the transfer of student records.
- 3) Official school records are not given to parents or guardians but are forwarded directly to the receiving school.
- 4) If Children's House tuition has been paid in full and the child transfers, a pro-rated refund will be given. Remaining lunch money may be returned when requested if a child transfers to another school.

Yearbook

A yearbook is created annually and is available for purchase by families. Parents/guardians may opt to have their student(s) left out of the yearbook by contacting the front office.

PART II - ACADEMICS

Academic Dishonesty

Bluffview Montessori School has developed specific plans for dealing with issues of academic dishonesty. “Plagiarism” is an act of stealing thoughts and ideas and passing them off as one’s own thoughts or ideas. No person shall copy and present the written material of another as his or her own work. No person shall pass off photos or the works of art of another person as his or her own work. To do these acts constitutes plagiarism. “Cheating” is an act of fraudulently deceiving others by violating rules of honesty or misrepresenting school work required as part of a test or other evaluation, or a regular assignment or project. No person shall copy another’s work or allow another to copy work or in any way collaborate on tests or assignments unless expressly authorized by a school faculty member.

The consequences for violating academic honesty may result in one of the following:

First offense:

- a. Attend a plagiarism or cheating workshop sponsored by Bluffview.
- b. Student must design a plan of restitution to those harmed by plagiarism or cheating.
- c. Re-do work.
- d. Office referral and written parent notification of infraction.

Second offense:

- a. Attend a plagiarism or cheating workshop sponsored by Bluffview.
- b. Design a plan of restitution to those harmed by plagiarism or cheating.
- c. Re-do work.
- d. Office referral and written parent notification of infraction.
- e. In-school suspension, at the discretion of Administration.
- f. Parent conference.

Subsequent offenses:

- a. Attend a plagiarism or cheating workshop sponsored by Bluffview.
- b. Design a plan of restitution to those harmed by plagiarism or cheating.
- c. Re-do work.
- d. Office referral and written parent notification.
- e. In-school suspension.
- f. Parent conference.
- g. Counseling with guidance counselor.

Curriculum Concern

The process for addressing a curriculum concern is as follows:

1. In a timely manner, contact the classroom teacher to review the course or unit outcomes and accompanying instructional resources. Discuss areas of concern to seek clarification.

2. If concerns persist, contact the Assistant Head of School. If necessary, the classroom teacher and Assistant Head of School may work together to make reasonable arrangements for alternative instruction. The Head of School may be brought into the discussion at any time.
3. If the concern is still not addressed to your satisfaction, parents should contact a School Board representative. Contact information can be found on the school website.

Extended School Year Opportunities

Bluffview Montessori School provides extended school year opportunities to a student who is the subject of an Individualized Education Program (IEP) if the student's IEP team determines the services are necessary during a break in instruction in order to provide a free and appropriate public education. For more information on extended school year opportunities for students with an IEP, contact Sherry Lohmeyer, Assistant Head of School, at slohmeyer@bluffviewmontessori.org or 507-452-2807.

Field Trips

Field trips utilize community resources to supplement the curriculum. All field trips will be chaperoned by teachers, staff members and parents. A *Field Trip Information Form* with a *Parent Permission Statement* will be distributed to students before each field trip. There may be a fee for field trips which helps defray entrance fees and/or transportation costs. Scholarships may be available for students when the fees for field trips create undue hardship for the family. Please contact the Head of School or office in this situation. If the permission slip is not returned by the due date, the student will not be permitted to attend the field trip.

All students are expected to take part in field trips. However, students who have demonstrated patterns of inappropriate behavior may be excluded from these experiences. A student may also forfeit field trip privileges if the student is so far behind in his/her studies that, in the judgment of teachers and administration, attending the field trip might have a detrimental effect on the student's academic achievement.

Parents or guardians that accompany students on field trips are required to complete a Background Check.

Homework

Homework assignments are made by the teachers. The amount of homework varies by teacher and subject area. Generally, Bluffview strives to offer enough work time during the school day that students will have minimal homework. Elementary students are usually only assigned a few projects each year to be worked on at home. Erdkinder students do receive homework as it is our goal to fully prepare them for their high school placement. Bluffview asks parents/guardians to encourage their child(ren) to complete homework thoroughly and promptly when issued.

Parent Right to Know

If a parent requests it, Bluffview Montessori School will provide information regarding the professional qualifications of his/her child's classroom teachers, including, at a minimum, the following:

1. whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. whether the teacher is teaching under emergency or other provisional licensing status through which state qualification or licensing criteria have been waived;
3. ~~whether the teacher is teaching in the field of discipline of the certification of the teacher the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree;~~
4. whether the student is provided services by paraprofessionals and, if so, their qualifications.

In addition, the school district will provide parents with information as to the level of achievement of their child in each of the state academic assessments. Bluffview Montessori School will provide notice to parents if their child has been assigned to, or taught for four or more consecutive weeks by, a teacher who **does not meet applicable State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned** is not highly qualified.

Progress Reports

The school year is divided into quarters. Formal progress reports for each student will be issued at the end of each semester for students in Kindergarten through Grade Eight. Parent-teacher-student conferences are offered in the fall and the spring. In addition to these regular conferences, arrangements for other conferences may be requested by parents/guardians and teachers at any time during the school year.

Special Education

Bluffview Montessori School has staff members licensed to provide special education and related services for those students who meet criteria and have special education needs. Parents and students are directly involved with the school and appropriate outside agency staff in the development of the special education program and the student's Individual Education Plan (IEP) for school-age children. Students are eligible for special education services until the IEP Team decides to terminate services. Students remain with their general education peers in the least restrictive environment (LRE) to the extent the IEP Team determines is appropriate. Special education program evaluation is accomplished through a single strategic plan to improve due process compliance and program results for students with disabilities.

Testing

Standardized tests are used to determine academic achievement levels and to evaluate the curriculum presented in accordance with our charter agreement and with the requirements of the State of Minnesota Department of Education.

The Minnesota Comprehensive Assessments are administered to students in Grades 3-8 in the spring. These tests are used to evaluate school and student progress towards meeting state standards. When MCA test results arrive in the summer, parents or guardians will be notified and may pick them up at school. Shortly thereafter, any remaining test results will be available for pick up at conferences.

In addition to these standardized tests, specific reading and math skills of all students are assessed three times each year to determine individual progress toward benchmarks for each grade level. These benchmark assessments are administered fall, winter and spring using the Fastbridge assessment system. Students are not graded on these assessments; they are used as indicators of overall reading and math achievement and as a screening tool for our reading and math intervention programs. Data from these assessments also provides a framework to determine instructional strategies that are responsive to each student's academic progress.

To opt out of state testing, please review and fill out the form in Appendix G. Additional information on testing can be found in Bluffview's School District and Testing Plan and Procedures, Policy 614, on the school [website](#).

Title I/ADSIS

Students needing extra help in math and reading may qualify for one of our two intervention programs. Our Title 1 math and reading intervention program provides reading and math services to students up to three times a week. Students who participate in the Title 1 program but who need additional assistance may also receive additional instruction from our math and reading intervention specialists on a daily basis.

The purpose of Alternative Delivery of Specialized Instructional Services (ADSIS) is to provide instruction to assist students who need additional academic or behavioral support to succeed in the general education environment. The goal is to reduce the number of referrals to special education by providing support early to struggling students.

PART III - RULES AND DISCIPLINE

Attendance

Regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students, and establishes regular habits of dependability.

We desire for all of our students to have the best educational experience possible. One essential component for a successful educational experience (adequate academic progress, the creation of a positive classroom experience, and active participation in the classroom community) is regular attendance at school. Therefore, it is important that children arrive at school on time and attend school every day.

For detailed information, see Policy 503, “Student Attendance” (*Appendix H*).

Tardiness

Tardiness is defined as a late arrival or early departure from school. Tardiness interferes with a student’s academic progress and is a disturbance to the other students and teacher in the learning environment. Students should be at school and in their classroom by 7:45 a.m.

Students arriving after 7:45 a.m. will be considered tardy. A tardy student must check in at the office in order to be admitted into their classroom. Arrival after 8:05 a.m. will result in a half day absence. Leaving school prior to 1:50 p.m. is also considered a half day absence. See Policy 503, “Student Attendance”, for the policy regarding tardiness (*Appendix H*).

Bullying Prohibition

Bluffview Montessori School is committed to providing a safe, secure and respectful learning environment for all students. Acts of bullying, in any form, by either an individual student or a group of students, are prohibited on Bluffview Montessori School property, at school-related functions or activities, on school transportation, and by misuse of technology. For detailed information, please see Policy 514, “Bullying Prohibition” (*Appendix I*).

Buses - Conduct on School Buses and Consequences for Misbehavior

Riding the school bus is a privilege, not a right. Bluffview Montessori Schools and Winona Area Public School’s (WAPS) general student behavior rules are in effect for all students on school buses. WAPS will not provide transportation for students whose transportation privileges have been revoked.

WAPS is committed to transporting students in a safe and orderly manner. To accomplish this, student riders are expected to follow WAPS rules for waiting at a school bus stop and for riding on a school bus.

While waiting for the bus or after being dropped off at a school bus stop, all students must comply with the following rules:

- Get to the bus stop five minutes before your scheduled pick up time. The school bus driver will not wait for late students.
- Respect the property of others while waiting at the bus stop.
- Keep your arms, legs, and belongings to yourself.
- Use appropriate language.
- Stay away from the street, road, or highway when waiting for the bus.
- Wait until the bus stops before approaching the bus.
- After getting off the bus, move away from the bus.
- If you must cross the street, always cross in front of the bus where the driver can see you. Wait for the driver to signal to you before crossing the street.
- No fighting, harassment, intimidation, or horseplay.
- No use of alcohol, tobacco, or drugs.

While riding a school bus, all riders must comply with the following rules:

- Follow the driver's directions at all times.
- Remain seated facing forward while the bus is in motion.
- Talk quietly and use appropriate language.
- Keep all parts of your body inside the bus.
- Keep arms, legs, and belongings to yourself and out of the aisle.
- No fighting, harassment, intimidation, or horseplay.
- Do not throw any object.
- No eating, drinking, or use of alcohol, tobacco, or drugs.
- Do not bring any weapons or dangerous objects on the school bus.
- Do not damage the school bus.

Consequences for school bus/bus stop misconduct will be imposed by Bluffview Montessori School under administrative discipline procedures. All school bus/bus stop misconduct will be reported to Bluffview Montessori School's Assistant Head of School. Serious misconduct may be reported to local law enforcement.

Cell Phones and Other **Personal Electronic Communication Devices**

Students are **prohibited** from using cell phones and other electronic communication devices during the school day (time dropped off to time picked up). If such devices are brought to school, they must remain in book bags and out of sight. Students may leave devices with the front office staff for the day. Classroom teachers may also have a locked classroom cupboard for students to keep such devices in until the end of the day. If such devices are used or displayed during the school day, they may be confiscated. In the event a student needs to use a personal device to contact a parent to secure plans or get necessary information, they are to report to the office with their device to make the call after requesting permission from the teacher that is responsible for him/her at that time. The only exception is the middle school activities bus group.

Discipline and Behavior

Bluffview Montessori School participates in multiple programs that contribute to a positive learning environment for all students and staff. The foundation for these programs is based around the principles of Restorative Practices and PBIS (Positive Behavior Interventions and Supports), which are a proactive and interactive approaches that establish a positive culture and support academic, social, and emotional success. They use data-based decision making to align curriculum and behavioral supports for all students and staff. They are aimed at supporting a safe and effective school environment while preventing behavioral problems with students.

Social and emotional learning curriculum and daily Circle practice are used to create a strong sense of classroom community and build relationships among students, staff, and the larger Bluffview community.

Bluffview promotes three basic values:

- Respect yourself
- Respect others
- Respect the environment

These values are incorporated into the daily lives of students and staff through both school wide and classroom components:

School Wide Components

- All school behavior expectation lessons are taught to all students for basic areas of the building that ALL children utilize, including the lunch area, bathrooms, hallways, playground, and peace circle/outside waiting area.
- Each year, Bluffview utilizes a central theme to promote positive behavior. The ~~2025-2026~~ ~~2024-2025~~ theme is based on the book *The Curious Why Change Sings* by ~~Angela DiTerlizzi~~ ~~Amanda Gorman~~.
- Bluffview Montessori utilizes inspiring lessons, books, and materials developed by *The Virtues Project* and *Core Virtues* that encourages students and staff to develop a sense of compassion and integrity and promote acts of service and generosity. The lessons are given through a three year cycle and will include the following virtues during the 2025-2026 school year:

□

Respect & Responsibility	Perseverance Self Discipline	Courtesy Wonder
Patience Charity	Stewardship Courage	Integrity Honesty
Cooperation	Humility	Wisdom

Faithfulness	Courtesy	Joyfulness and Lives to Learn From
--------------	----------	---------------------------------------

- School spirit and pride are encouraged through our school mascot, the Bluffview Explorer.
- Explorers of the Week are chosen every Wednesday from the Compass Slips that students have brought into the office. The Explorers are offered a “menu” of reinforcers to choose from, and a short article is written and shared in the school newsletter.

Classroom Components

- Each class, along with their designated Peace Partners (all staff members that are not in general classrooms), participate in a monthly lesson and follow-up activities that promote the virtue of the month.
- Students making positive behavior choices and demonstrating actions representing the virtues that classrooms have learned may be recognized with a “Compass Slip.” Students bring their Compass Slips to the office, exchanging them for a blue sphere which is then placed in our globe. As the globe fills to the North Pole, special activities are planned celebrating the positive choices.

Discipline

Although students at Bluffview make many positive choices, it is understood that students will also make decisions and choices that allow them to learn and become more respectful and kind members of the community. Policy 506, “Student Discipline” can be found in appendix J of this handbook and on the school [website](#). A paper copy can also be obtained in the school office.

Dress and Appearance

Students are encouraged to be dressed appropriately for school activities and in keeping with community standards.

Such messages are acceptable as long as they are not lewd, vulgar, obscene, defamatory, profane, or do not advocate violence or harassment against others.

When, in the judgment of the administration, a student's appearance or mode of dress interferes with or disrupts the educational process or school activities, or poses a threat to the health or safety of the student or others, the student will be directed to make modifications or may be sent home for the day. All disciplinary issues that relate to this policy will be managed under Policy 506 (student discipline).

- Parents/guardians will be notified.
- Reasonable efforts will be made not to remove a student from class during instructional time.
- Students shall not be required to display their body in front of others as a demonstration of attire fit or appropriateness.

The administration may recommend a form of dress considered appropriate for a specific event and communicate the recommendation to students and parents/guardians.

Likewise, an organized student group may recommend a form of dress for students considered appropriate for a specific event and make such recommendation to the administration for approval.

Use of Bluffview Montessori School's system is a privilege, not a right.

Unacceptable use of Bluffview Montessori School's computer system or the Internet may result in one or more of the following consequences: suspension or cancellation of use or access privileges; payments for damages and repairs; discipline under other appropriate Bluffview Montessori School policies, including, but not limited to, suspension, expulsion, or exclusion; or civil or criminal liability under other applicable laws.

A copy of Bluffview Montessori School's policy 524, "Internet, Technology, and Cell Phone Acceptable Use and Safety Policy", is available in the front office or on the school [website](#).

Parents are responsible for monitoring their student's use of the Bluffview Montessori School system and of the Internet if the student is accessing the Bluffview Montessori School system from home or a remote location.

MN Statutes 13.32 Subd. 1 – Modifies student data privacy protections by defining a "school-issued device", and "technology provider", the requirements on schools to notify parents and students of any programs or contracts with technology providers that deal with student data; the rules that technology providers must follow regarding student data, and what student data government agencies, and service providers cannot access or monitor. See Appendix M for more information.

Bluffview Montessori School must provide parents and students an opportunity to inspect a complete copy of any contract with a technology provider.

7th & 8th grade students will receive a copy of Bluffview Montessori School's "Internet, Technology, and Cell Phone Acceptable Use" policy and are expected to understand and agree to abide by the policy as a condition of use of the school computer system. Discipline of students will include, at a minimum: immediate out-of-school suspension; confiscation of the weapon; immediate notification of police; parent or guardian notification; and recommendation to the Head of School of dismissal for a period of time not to exceed one year. The Head of School shall, as soon as practicable, refer to the criminal justice or juvenile delinquency system, as appropriate, a student who brings a firearm to school unlawfully. A student who brings a firearm to school will be expelled for at least one year, subject to Bluffview Montessori School discretion on a case-by-case basis. A copy of policy 501, "School Weapons Policy", is available in the front office or on the school [website](#).

PART IV - HEALTH AND SAFETY

Accidents

All student injuries that occur at school, at school-sponsored activities, or on school transportation should be reported to the front office. Parents/guardians of an injured student will be notified as soon as possible. If the student requires immediate medical attention, staff will call 911 or seek emergency medical treatment and then contact the parent(s).

Crisis Management

Bluffview Montessori School has a “Crisis Management” policy. The “Crisis Management” policy addresses a range of potential crisis situations.

Each year, the school conducts various drills for the safety of both staff and students. We are required to conduct several (5) fire drills, lockdown drills (5) and severe weather drills (1) during the course of the year. We also have, as part of our school crisis plan, several procedures in case of a bomb threat, intruder inside our school and for an intruder outside the school. In addition, we have a plan for the evacuation of our school in case of emergencies such as: toxic chemical spill, loss of heat in winter, gas leak or a power loss, among other unforeseen situations.

If staff and students evacuate the building, we will make sure that movement to and from the evacuation site is done in a safe and orderly manner. We will not conduct a drill in unsatisfactory weather. Each of these drills will provide our staff and students the opportunity to become proficient with these necessary procedures. If you have questions, please contact the school office.

If an emergency event occurs and students are not able to return to the school building, the school will inform parents or guardians where their children have been taken for shelter via text messaging system and email. Our designated parent rally point is Sugar Loaf Ford at 1222 W Service Dr. Winona (near the Winona Mall parking lot.) Law enforcement will message reunification procedures to parents. A copy of Policy 806, “Crisis Management Policy”, and our Emergency Plan, is available in the office and on the [website](#).

Health Information

First Aid

The nurse’s office is equipped to handle minor injuries requiring first aid. Assistance can be sought in the front office. If a student experiences a more serious medical emergency at school, 911 will be called and/or a parent/guardian will be contacted depending on the situation.

Bluffview Montessori School has installed an automated external defibrillator (AED) across from the front office. Tampering with the AED is prohibited and may result in discipline.

Illness or Injury at School

If a child has a fever of 100 degrees Fahrenheit or above or is ill or injured, a parent/guardian or other authorized person will be notified. It is the expectation of the school that the child will be picked up from school within 20 minutes or as soon as possible. **It is very important that we have a daytime telephone number where you can be reached.** Please update the office when emergency information changes. The parent/guardian or designated person must come into the school office and sign the child out before the child is permitted to leave school. If a child has a medical or dental appointment, the parent, guardian, or designated person must also come into the school office and sign the child out for the appointment. Under no circumstances, will a child be released from the school building until a parent, guardian, or designated adult signs the child out. The office staff will call the child's classroom when a parent or guardian arrives in the office.

If a parent or guardian feels that their child should not participate in Physical Education class for the day, they must submit a written excuse to the office. A written excuse from a physician is required when a child cannot participate in Physical Education class for more than one day.

Immunizations

All students must have proof of immunization or appropriate documentation exempting them from such immunizations in order to enroll or remain enrolled. Students may be exempted from the immunization requirement when the immunization of the student is contraindicated for medical reasons; laboratory confirmation of adequate immunity exists; or due to the conscientiously held beliefs of the parents/guardians or student. Bluffview Montessori School will maintain a file containing the immunization records for each student in attendance at the school district for at least five years after the student reaches the age of 18. For a copy of the immunization schedule or to obtain an exemption form or information, contact the front office.

Inhalers

Prescription asthma or reactive airway disease medications can be self-administered by a student with an asthma inhaler if:

- Bluffview Montessori School has received a written authorization each school year from the pupil's parent permitting the student to self-administer the medication, along with the ordering provider signature to self administer. Contact the front office for the Medication Authorization Form or go to the school website.
- The child is older than the 5th grade and the school nurse has assessed the student's knowledge and skills to safely possess and use an asthma inhaler in a school setting and enters into the student's school health record a plan to implement safe possession and use of asthma inhalers if needed.
- The inhaler is properly labeled for that student.

Medications

Medications may be given at school, when necessary. Several conditions must be met in order for medications to be given safely:

- The administration of prescription medication at school requires a completed signed request from the student's parent. A "Prescription Medication Authorization Form" must be completed once a year and/or when a change in the prescription or requirements for administration occurs. (Obtaining a physician's order often does not require a doctor's visit.) The order may be faxed to school (507-452-6869). Contact the front office for the Prescription Medication Authorization Form or go to the school [website](#).
- All prescription medications must be in the original labeled container. Local pharmacies will provide a second labeled container at no charge. Over-the-counter medications must be in the original box.
- An adult must bring medications to the school.
- Medications (other than inhalers) must be administered by the school Nurse or other designated employees.
- Nonprescription medications such as Tylenol, Advil, Aspirin, and other "over the counter" medications may not be carried at school by students. To receive "over the counter" medications, a Non-Prescription Medications Permission Form must be completed by the parent/guardian on an annual (every year) basis. The school may then administer such medications in accordance with dosage, frequency, age, etc. as indicated by the medication label.
- When students go on field trips sponsored by school, physician orders and parent permission are still necessary. (Keep in mind all medications usually taken at home that will need to go on overnight field trips.)
- Marijuana is not allowed on school property even if prescribed.

Student Health Program and Information

The Bluffview Montessori School student health program follows state and local guidelines. To help your child succeed in school, please ensure that your child gets regular and adequate sleep, exercise, and a balanced diet.

When your child has contacted a communicable disease, please notify the school immediately. Such diseases include: Covid-19, AIDS, chicken pox, monkeypox, whooping cough, fifth's disease, lice, measles, meningitis, mumps and pink eye.

If your child has a fever of 100 degrees Fahrenheit or above, rash, diarrhea, vomiting, or a cough with a fever, please keep him/her home. For information about when to keep your child home, see the Bluffview [website](#). Children who have been vomiting may not attend school for 24 hours. Children need to be fever-free for 24 hours (without the use of fever reducing medication) in order to return to school. If you do not have a thermometer at home, signs and symptoms that may indicate your child has a fever include chills, feeling very warm to the touch, having a flushed appearance, or sweating.

Strep throat must be treated with an antibiotic for 12 hours before your child returns to school. Often a day at home and bed rest will prevent more serious illness and encourage more rapid recovery.

A parent/guardian should notify the school if his/her child is unable to attend school because of illness. Contact the front office at 507-452-2807, or by emailing jzieman@bluffviewmontessori.org.

Vision & hearing screening is done in the fall for K, 1st, 3rd, 5th, & 7th graders, and any new students. Any concerns are communicated with parents.

A cooperative effort between parents and school health services helps promote good health for all students. Please do not hesitate to email the school nurse at any time with your questions or information regarding your child's health.

Pesticide Application Notice

Bluffview Montessori School may plan to apply pesticide(s) on school property. To the extent Bluffview Montessori School applies certain pesticides, Bluffview Montessori School will provide a notice by September 15 as to the plan to use these pesticides. A parent may request to be notified prior to the application of certain pesticides on days different from those specified in the notice. Additional information regarding what pesticides are used, an estimated schedule of pesticide applications (which will be available for review or copying at the school office), and the long-term health effects of the class of pesticide on children can be requested by contacting Henry Schantzen, Head of School, at hschantzen@bluffviewmontessori.org or 507-452-2807.

Security

In order to keep the school building secure, all doors are locked during school hours. Please ring the doorbell at the front entrance to gain admittance. All visitors must check in at the school office and receive a visitor or volunteer badge.

Visitors

We encourage interest on the part of parents and community members in our school programs and student activities. Therefore, we welcome visits to school provided the visits are consistent with the health, education and safety of students and employees and are conducted within the procedures and requirements of the school. We recognize the importance of maintaining an environment that is safe for students and staff and free of activity that may be disruptive to the student learning process or employee working environment.

Parents or guardians are welcome to visit Bluffview Montessori School at any time. In order to maintain the integrity of our Montessori program and protect the student work cycles, classroom observations will be limited to one adult (at a time) per environment. Observations may be scheduled between October and April of each school year. Please call the school office to make arrangements to visit.

As the safety of our students is our highest priority, Bluffview Montessori School utilizes RAPTOR to screen visitors. RAPTOR is a visitor registration system that enhances school security by reading visitor drivers' licenses, comparing information to a sex offender database, alerting building administrators if a match is found, then (assuming no match was made) printing a visitor badge that includes a photo.

- All visitors must present themselves to the office to gain permission and a visitor's identification badge in order to enter the school building. On the first visit, a driver's license will be requested. On subsequent visits, an identification badge can be printed without a driver's license.
- Bluffview employees must courteously approach any visitor without a visitor's identification badge and direct him/her to the school office
- If deemed necessary by the Head of School, a visitor may be required to be accompanied by an escort while in the school building.
- Permission shall be required only during times when school is in session, which includes afterschool activities and shall be for the purpose of preventing interruption of normal school functions.

Appendix C - School Meals Policy

POLICY 534 SCHOOL MEALS POLICY

I. PURPOSE

The purpose of this policy is to ensure that students receive healthy and nutritious meals through Bluffview Montessori School's nutrition program and that Bluffview Montessori School employees, families, and students have a shared understanding of expectations regarding meal charges. The policy seeks to allow students to receive the nutrition they need to stay focused during the school day and minimize identification of students with insufficient funds to pay for a la carte items or second meals as well as to maintain the financial integrity of the school nutrition program.

II. PAYMENT OF MEALS

- A. Students/families have use of a meal account. Only a la carte or second meals will be charged. When the balance becomes low, a notification is sent home. Parents can make a payment in the school office or online.

If Bluffview Montessori School participates in the United States Department of Agriculture National School Lunch program and has an Identified Student Percentage below the federal percentage determined for all meals to be reimbursed at the free rate via the Community Eligibility Provision must participate in the free school meals program.

B. Free School Meals Program

1. The free school meals program is created within the Minnesota Department of Education.
2. Each school that participates in the United States Department of Agriculture National School Lunch program and has an Identified Student Percentage at or above the federal percentage determined for all meals to be reimbursed at the free rate must participate in the federal Community Eligibility Provision in order to participate in the free school meals program.
3. Each school that participates in the free school meals program must:
 - a. participate in the United States Department of Agriculture School Breakfast Program and the United States Department of Agriculture National School Lunch Program; and
 - b. provide to all students at no cost up to two federally reimbursable meals per school day, with a maximum of one free breakfast and one free lunch.

- c. A student who has been determined eligible for free and reduced-price meals must always be served a reimbursable meal even if the student has an outstanding debt.
- C. Siblings share the same monetary account.
- D. A student may purchase a second breakfast at the nonprogram price if the student has already selected a reimbursable breakfast.
- E. A student may purchase a second lunch at the nonprogram price if the student has already selected a reimbursable lunch.

III. LOW OR NEGATIVE ACCOUNT BALANCES – NOTIFICATION

- A. Bluffview Montessori School will make reasonable efforts to notify families when meal account balances are low or fall below zero.
- B. Families will be notified of a low balance once the balance reaches \$6. Families will be notified by email or letter.
- C. Reminders for payment of outstanding student meal balances will not demean or stigmatize any student participating in the school lunch program. A meal will not be taken away from a student with an overdrawn account. Students will receive a fully reimbursable meal in this instance as well, not a reduced meal or a substitution.

IV. UNPAID MEAL CHARGES

- A. Bluffview Montessori School will make reasonable efforts to communicate with families to resolve the matter of unpaid charges. Where appropriate, families may be encouraged to apply for free or reduced-price meals for their children.
- B. Bluffview Montessori School will make reasonable efforts to collect unpaid meal charges classified as delinquent debt. Unpaid meal charges are designated as delinquent debt when payment is overdue, the debt is considered collectable, and efforts are being made to collect it.
- C. Negative balances not paid prior to the end of the school year, will be turned over to the Head of School or Head of School's designee for collection. Collection options may include, but are not limited to, use of collection agencies, claims in the conciliation court, or any other legal method permitted by law.
- D. Bluffview Montessori School may not enlist the assistance of non Bluffview Montessori School employees, such as volunteers, to engage in debt collection efforts.
- E. Bluffview Montessori School may not deny any student the opportunity to participate in bridging ceremonies or other end of the year activities due to unpaid meal charges.

V. COMMUNICATION OF POLICY

- A. This policy and any pertinent supporting information shall be provided in writing (i.e., mail, email, back-to-school packet, student handbook, etc.) to:
1. all households at or before the start of each school year;
 2. students and families who transfer to Bluffview Montessori School, at the time of enrollment; and
 3. all Bluffview Montessori School personnel who are responsible for enforcing this policy.
- B. Bluffview Montessori School may post the policy on the Bluffview Montessori School's website, in addition to providing the required written notification described above.

3. The material, taken as a whole, lacks serious literary, artistic, political, or scientific value for minors.
- D. “Minor” means any person under the age of eighteen (18).
- E. “Material and substantial disruption” of a normal school activity means:

In order for expression to be considered disruptive, specific facts must exist upon which the likelihood of disruption can be forecast including past experience in the school, current events influencing student activities and behavior, and instances of actual or threatened disruption relating to the written material in question.

- F. “School activities” means any activity sponsored by the school including, but not limited to, classroom work, library activities, physical education classes, official assemblies and other similar gatherings, school athletic contests, band concerts, school plays and other theatrical productions, and in-school lunch periods.

V. TIME, PLACE, AND MANNER OF DISTRIBUTION

- D. If the person is dissatisfied with the decision of the Assistant Head of School, the person may submit a written request for appeal to the Head of School. If the person does not receive a response within three (3) school days (not counting Saturdays, Sundays, and holidays) of submitting the appeal, the person shall contact the office of the Head of School to verify that the lack of response is not due to an inability to locate the person.
- E. Permission or denial of permission to distribute material does not imply approval or disapproval of its contents by either the school, the administration of the school, the school board, or the individual reviewing the material submitted.

VII. DISCIPLINARY ACTION

- A. A. Rights of Parents and Eligible Students

Parents and eligible students have the following rights under this policy:

1. The right to inspect and review the student's education records;
2. The right to request the amendment of the student's education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student's privacy or other rights;
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that such consent is not required for disclosure pursuant to this policy, state or federal law, or the regulations promulgated thereunder;
4. The right to refuse release of names, addresses, and home telephone numbers of students in grades 11 and 12 to military recruiting officers and post-secondary educational institutions;

1. Bluffview Montessori School shall permit the parent of a student, an eligible student, or the parent of an eligible student who is also a dependent student who is or has been in attendance in Bluffview Montessori School to inspect or review the education records of the student, except those records which are made confidential by state or federal law or as otherwise provided in Section VIII. of this policy.

Bluffview Montessori School shall respond to any request pursuant to Subdivision A. of this section immediately, if possible, or within ten (10) days of the date of the request, excluding Saturdays, Sundays, and legal holidays.

4. That Bluffview Montessori School may disclose education records to other school officials within Bluffview Montessori School if Bluffview Montessori School has determined they have legitimate educational interests. For purposes of such disclosure, a "school official" is a person employed by Bluffview Montessori School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or other employee; a person serving on the school board; a person or company with whom Bluffview Montessori School has consulted to perform a specific task (such as an attorney, auditor, medical consultant, therapist, public information officer, or data practices compliance official); or a parent or student serving on an official committee, such as a disciplinary or grievance committee; or any individual assisting a school official in the performance of his or her tasks. A school official has a "legitimate educational interest" if the individual needs to review an education record in order to fulfill his or her professional responsibility and includes, but is not limited to, an interest directly related to classroom instruction, teaching, student achievement and progress, discipline of a student, and student health and welfare and the ability to respond to a request for educational data;
5. Appendix G – Parent/Guardian Refusal for Student Participation in Statewide Assessments

Statewide Assessments:

Parent/Guardian Participation Guide and Refusal Information

Your student's participation in statewide assessments is important as it allows your school and district to ensure all students have access to a high-quality education. In the past, students with disabilities and English learners were often excluded from statewide assessments. By requiring that all students take statewide assessments, schools and teachers have more information to see how all students are doing. This helps schools to continuously improve the education they provide and to identify groups, grades, or subjects that may need additional support.

Assessments Connect to Standards

Statewide assessments are based on the [Minnesota Academic Standards](#) or the [WIDA English Language Development Standards](#). These standards define the knowledge and skills students should be learning in K–12 districts and charter schools. Minnesota prioritizes high-quality education and statewide assessments give educators and leaders an opportunity to evaluate student and school success.

Minnesota Comprehensive Assessments (MCA)

MCA and the alternate assessments (Minnesota Test of Academic Skills (MTAS)/Alternate MCA) are the annual assessments in reading, mathematics and science that measure a snapshot of student learning of the Minnesota K–12 Academic Standards.

WIDA ACCESS and WIDA Alternate ACCESS for English Learners

The WIDA ACCESS and WIDA Alternate ACCESS are the annual assessments for English learners that provide information about their progress in learning academic English, based on the WIDA English Language Development Standards.

Statewide Assessments Help Families and Students

Participating in statewide assessments gives families a snapshot of their student's learning so they can advocate for their success in school. High school students can use MCA results for:

- Postsecondary Enrollment Options (PSEO) in grade 10.
- Course placement at a Minnesota State college or university. If students receive a college-ready score, they may not need to take a remedial, noncredit course for that subject.

English learners who take the WIDA ACCESS or WIDA Alternate ACCESS and meet certain requirements have the opportunity to exit from English learner programs.

Taking Statewide Assessments Helps Your Student's School

Statewide assessments provide information to your school and district about how all students are engaging with the content they learn in school. This information helps:

- Educators evaluate their instructional materials.
- Schools and districts identify inequities between groups, explore root causes and implement supports.
- School and district leaders make decisions on how to use money and resources to support all students.

Student Participation in Statewide Assessments

Student participation in state and locally required assessments is a parent/guardian choice. If you choose to have your student not participate in a statewide assessment, please provide a reason for your decision on the form on the following page. Contact your student's school to learn more about locally required assessments.

Updated March 2025

Consequences of Not Participating in Statewide Assessments

- The student will not receive an individual score. For WIDA ACCESS and WIDA Alternate ACCESS, the student will not have the opportunity to exit their English learner program.
- School and district assessment results will be incomplete, making it more difficult to have an accurate picture of student learning.
- Since all eligible students are included in some calculations even when they do not participate, school and district accountability results are impacted. This may affect the school's ability to be identified for support or recognized for success.

Explore the
[Statewide
Testing page](#)
for more
information.

Check with your local school or district to see if there are any additional consequences for not participating.

(education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing)

Additional Information

- On average, students spend less than 1% of instructional time taking statewide assessments each year.
- Minnesota statutes limit the total amount of time students can spend taking other district- or school-wide assessments to 11 hours or less each school year, depending on the grade.
- School districts and charter schools are required to publish an assessment calendar on their website by the October 1 each school year. Refer to your district or charter school's website for more information on assessments.

Finally, it is the administrator's responsibility to inform the student's parent or guardian of the student's attendance and to work cooperatively with them and the student to solve attendance problems.

- b. In accordance with the Minnesota Compulsory Instruction Law, Minnesota Statute Section 120A.22, the students of Bluffview Montessori School are REQUIRED to attend all assigned classes and/or study halls every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed state and Bluffview Montessori School standards required to graduate from high school, has withdrawn, or has a valid excuse for absence.

Bullying, like other violent or disruptive behavior, is conduct that interferes with a student's ability to learn and/or a teacher's ability to educate students in a safe environment. Bluffview Montessori School cannot monitor the activities of students at all times and eliminate all incidents of bullying between students, particularly when students are not under the direct supervision of school personnel. However, to the extent such conduct affects the educational environment of Bluffview Montessori School and the rights and welfare of its students and is within the control of Bluffview Montessori School in its normal operations, Bluffview Montessori School intends to prevent bullying and to take action to investigate, respond to, and to remediate and discipline for those acts of bullying which have not been successfully prevented. The purpose of this policy is to assist Bluffview Montessori School in its goal of preventing and responding to acts of bullying, intimidation, violence, reprisal, retaliation, and other similar disruptive and detrimental behavior.

II. GENERAL STATEMENT OF POLICY

- C. This policy applies not only to students who directly engage in an act of bullying but also to students who, by their indirect behavior, condone or support another student's act of bullying. This policy also applies to any student whose conduct at any time or in any place constitutes bullying or other prohibited conduct that interferes with or obstructs the mission or operations of Bluffview Montessori School or the safety or welfare of the student or other students, or materially and substantially interferes with a student's educational opportunities or performance or ability to participate in school functions or activities or receive school benefits,

services, or privileges. This policy also applies to an act of cyberbullying regardless of whether such act is committed on or off Bluffview Montessori School property and/or with or without the use of Bluffview Montessori School resources. This policy also applies to sexual exploitation.

- D. Malicious and sadistic conduct involving race, color, creed, national origin, sex, age, marital status, status with regard to public assistance, disability, religion, sexual harassment, and sexual orientation and gender identity as defined in Minnesota Statutes, chapter 363A is prohibited. This prohibition applies to students, independent contractors, teachers, administrators, and other school personnel.

Malicious and sadistic conduct and sexual exploitation by a Bluffview Montessori School staff member, independent contractor, or enrolled student against a staff member, independent contractor, or student that occurs as described in Article II.A above is prohibited.

- E. No teacher, administrator, volunteer, contractor, or other employee of Bluffview Montessori School shall permit, condone, or tolerate bullying.

- G. Retaliation against a victim, good faith reporter, or a witness of bullying is prohibited.
- H. False accusations or reports of bullying against another student are prohibited.
- I. A person who engages in an act of bullying, reprisal, retaliation, or false reporting of bullying or permits, condones, or tolerates bullying shall be subject to discipline or other remedial responses for that act in accordance with Bluffview Montessori School's policies and procedures, including Bluffview Montessori School's discipline policy (See Policy 506). Appendix J - Student Discipline and Notice of Suspension

POLICY 506 STUDENT DISCIPLINE AND NOTICE OF SUSPENSION

I. PURPOSE

The purpose of this policy is to ensure that students are aware of and comply with Bluffview Montessori School's expectations for student conduct. Such compliance will enhance Bluffview Montessori School's ability to maintain discipline and ensure that there is no interference with the educational process. Bluffview Montessori School will take appropriate disciplinary action when students fail to adhere to the Code of Student Conduct established by this policy.

II. GENERAL STATEMENT OF POLICY

The school board recognizes that individual responsibility and mutual respect are essential components of the educational process. The school board further recognizes that nurturing the maturity of each student is of primary importance and is closely linked with the balance that must be maintained between authority and self-discipline as the individual progresses from a child's dependence on authority to the more mature behavior of self-control.

All students are entitled to learn and develop in a setting which promotes respect of (for?) self, others, and property. Proper positive discipline can only result from an environment which provides options and stresses student self-direction, decision-making, and responsibility. Schools can function effectively only with internal discipline based on mutual understanding of rights and responsibilities.

Students must conduct themselves in an appropriate manner that maintains a climate in which learning can take place. Overall decorum affects student attitudes and influences student behavior. Proper student conduct is necessary to facilitate the education process and to create an atmosphere conducive to high student achievement.

Although this policy emphasizes the development of self-discipline, it is recognized that there are instances when it will be necessary to administer disciplinary measures. The position of Bluffview Montessori School is that a fair and equitable school-wide student discipline policy will contribute to the quality of the student's educational experience. This discipline policy is adopted in accordance with and subject to the Minnesota Pupil Fair Dismissal Act, Minnesota Statutes, sections 121A.40-121A.56.

In view of the foregoing and in accordance with Minnesota Statutes, section 121A.55, the school board, with the participation of Bluffview Montessori School administrators, teachers, employees, students, parents, community members, and such other individuals and organizations as appropriate, has developed this policy which governs student conduct and applies to all students of Bluffview Montessori School.

- B. Bluffview Montessori School is encouraged to ensure student access to structured breaks from the demands of school and to support teachers, administrators, and other school staff in their efforts to use evidence-based approaches to reduce exclusionary forms of discipline.
- C. Bluffview Montessori School must not use recess detention unless:
 1. a student causes or is likely to cause serious physical harm to other students or staff;
 2. the student's parent or guardian specifically consents to the use of recess detention; or

XI. REMOVAL OF STUDENTS FROM CLASS

The classroom teacher shall have the general control and government of the classroom. Teachers have the responsibility of attempting to modify disruptive student behavior by such means as conferring with the student, using positive reinforcement, assigning detention or other consequences, or contacting the student's parent/guardian. When such measures fail, or when the teacher determines it is otherwise appropriate based upon the student's conduct, the teacher shall have the authority to remove the student from class pursuant to the procedures established by this discipline policy. "Removal from class" and "removal" mean any actions taken by a teacher, school administrator, or other Bluffview Montessori School employee to prohibit a student from attending a class or activity for a period of time not to exceed five (5) days, pursuant to this discipline policy.

- A. Grounds for removal from class shall include any of the following:
 - 1. Willful conduct that significantly disrupts the rights of others to an education, including conduct that interferes with a teacher's ability to teach or communicate effectively with students in a class or with the ability of other students to learn;

Such removal shall be for at least one (1) activity period or class period of instruction for a given course of study and shall not exceed five (5) such periods.

A student must be removed from class immediately if the student engages in assault or violent behavior. "Assault" is an act done with intent to cause fear in another of immediate bodily harm or death; or the intentional infliction of, or attempt to inflict, bodily harm upon another. The removal from class shall be for a period of time deemed appropriate by the Head of School, in consultation with the teacher.

- B. If a student is removed from class more than ten (10) times in a school year, Bluffview Montessori School shall notify the parent or guardian of the student's tenth removal from class and make reasonable attempts to convene a meeting with the student's parent or guardian to discuss the problem that is causing the student to be removed from class.

C. Procedures for Removal of a Student From a Class

When a teacher determines that the student's behavior meets Bluffview Montessori School's grounds for removal from class, the teacher will immediately communicate with school administration concerning the problem;

Upon receiving the information:

Depending on the severity of the problem, the teacher may:

1. direct the student to report to the office or other designated area;
2. request school administrator or their designee to come to the class to remove the student, or

The student, individually or with a staff escort, as determined by the teacher and/or administration, will report to a school administrator's office or other area as designated by an IEP or equivalent;

The student will discuss the reason for removal with the school administrator or their designee. Readmission plans may be established by the student and the school administrator or designee. Depending on the length of removal or reason for removal, a student may be required to continue class work.

Until the school administrator or their designee is contacted, the teacher retains responsibility for the student. Upon administrator/designee notification, the responsibility of the removed student shifts to the school administrator or their designee.

F. Procedures for Return of a Student to a Class from Which the Student was Removed

Prior to the return to class, the school administrator will meet with the student and parent/guardian to discuss the expectations for the return to class. Depending on the reason for removal from class, the administrator may determine that the student can return to class and discuss with the parent/guardian at a later time.

If warranted, there may be a readmission plan discussed and written by school administration, parent/guardian, student, and classroom teacher.

G. Procedures for Notifying a Student and the Student's Parents or Guardian of Violation of the Rules of Conduct and of Resulting Disciplinary Actions

Every effort will be made to initiate the school's Crisis Prevention Team to assist when possible. Corporal punishment shall

not be an acceptable form of discipline in the school.

XII. DISMISSAL

- A. “Dismissal” means the denial of the current educational program to any student, including exclusion, expulsion and suspension. Dismissal does not include removal from class.

Bluffview Montessori School shall not deny due process or equal protection of the law to any student involved in a dismissal proceeding which may result in suspension, exclusion or expulsion.

Bluffview Montessori School shall not dismiss any student without attempting to use nonexclusionary disciplinary policies and procedures before dismissal proceedings or pupil withdrawal agreements, except where it appears that the student will create an immediate and substantial danger to self or to surrounding persons or property.

- B. Violations leading to suspension, based upon severity, may also be grounds for actions leading to expulsion, and/or exclusion. A student may be dismissed on any of the following grounds:
- 1. Willful violation of any reasonable school board regulation, including those found in this policy;
 - 2. Willful conduct that significantly disrupts the rights of others to an education, or the ability of school personnel to perform their duties, or school sponsored extracurricular activities; or
 - 3. Willful conduct that endangers the student or other students, or surrounding persons, including Bluffview Montessori School employees, or property of the school.
- C. Disciplinary Dismissals Prohibited
- 1. A pupil enrolled in the following is not subject to dismissals under the

Pupil Fair Dismissal Act:

- a. a preschool or prekindergarten program, including an early childhood family education, school readiness, voluntary prekindergarten, Head Start, or other school-based preschool or prekindergarten program; or
 - b. kindergarten through Grade 3.
2. This section does not apply to a dismissal from school for less than one school day, except as provided under Minnesota Statutes, chapter 125A and federal law for a student receiving special education services.
 3. Notwithstanding this section, expulsions and exclusions may be used only after resources outlined under Nonexclusionary discipline have been exhausted, and only in circumstances where there is an ongoing serious safety threat to the child or others.

D. Suspension Procedures

1. “Suspension” means an action by the school administration, under rules promulgated by the School Board, prohibiting a student from attending school for a period of no more than ten (10) school days; provided, however, if a suspension is longer than five (5) school days, the suspending administrator shall provide the Head of School with a reason for the longer term of suspension. This definition does not apply to dismissal for one (1) school day or less where a student with a disability does not receive regular or special education instruction during that dismissal period.
2. School administration must allow a suspended pupil the opportunity to complete all school work assigned during the period of the pupil's suspension and to receive full credit for satisfactorily completing the assignments. The Head of School or other person having administrative control of the school building or program is encouraged to designate a Bluffview Montessori School employee as a liaison to work with the pupil's teachers to allow the suspended pupil to (1) receive timely course materials and other information, and (2) complete daily and weekly assignments and receive teachers' feedback.
3. If a student's total days of removal from school exceed ten (10) cumulative days in a school year, Bluffview Montessori School shall make reasonable attempts to convene a meeting with the student and the student's parent or guardian before subsequently removing the student from school and, with the permission of the parent or guardian, arrange for a mental health screening for the student at the parent or guardian's expense. The purpose of this meeting is to attempt to determine the student's need for assessment or other services or whether the parent or guardian should have the student assessed or diagnosed to determine whether the student needs treatment for a mental health disorder.

4. The definition of suspension under Minnesota Statutes, section 121A.41, subdivision 10, does not apply to a student's dismissal from school for one school day or less, except as provided under federal law for a student with a disability. Each suspension action may include a readmission plan. The plan shall include, where appropriate, a provision for implementing alternative educational services upon readmission which must not be used to extend the current suspension. A readmission plan must not obligate a parent or guardian to provide psychotropic drugs to their student as a condition of readmission. School administration must not use the refusal of a parent or guardian to consent to the administration of psychotropic drugs to their student or to consent to a psychiatric evaluation, screening, or examination of the student as a ground, by itself, to prohibit the student from attending class or participating in a school-related activity, or as a basis of a charge of child abuse, child neglect, or medical or educational neglect. The school administration may not impose consecutive suspensions against the same student for the same course of conduct, or incident of misconduct, except where the student will create an immediate and substantial danger to self or to surrounding persons or property or where Bluffview Montessori School is in the process of initiating an expulsion, in which case the school administration may extend the suspension to a total of fifteen (15) days.
5. A child with a disability may be suspended. When a child with a disability has been suspended for more than five (5) consecutive days or ten (10) cumulative school days in the same year, and that suspension does not involve a recommendation for expulsion or exclusion or other change in placement under federal law, relevant members of the child's IEP team, including at least one of the child's teachers, shall meet and determine the extent to which the child needs services in order to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the child's IEP. That meeting must occur as soon as possible, but no more than ten (10) days after the sixth (6th) consecutive day of suspension or the tenth (10th) cumulative day of suspension has elapsed.
6. Alternative education services must be provided to a pupil who is suspended for more than five (5) consecutive school days. Alternative educational services may include, but are not limited to, special tutoring, modified curriculum, modified instruction, other modifications or adaptations, instruction through electronic media, special education services as indicated by appropriate assessments, homebound instruction, supervised homework, or enrollment in another charter school or in an alternative learning center under Minnesota Statutes section 123A.05 selected to allow the student to progress toward meeting graduation standards under Minnesota Statutes section 120B.02, although in a different setting.
7. The school administration shall not suspend a student from school without an informal administrative conference with the student. The informal administrative conference shall take place before the suspension, except where it appears that the student will create an immediate and substantial danger to self or to surrounding persons or property, in which case the conference shall take place as soon as practicable following the suspension.

At the informal administrative conference, a school administrator shall notify the student of the grounds for the suspension, provide an explanation of the evidence the authorities have, and the student may present the student's version of the facts. A separate administrative conference is required for each period of suspension.

8. After school administration notifies a student of the grounds for suspension, school administration may, instead of imposing the suspension, do one or more of the following:
 - a. strongly encourage a parent or guardian of the student to attend school with the student for one day;
 - b. assign the student to attend school on Saturday as supervised by the Head of School or the Head of School's designee; and
 - c. petition the juvenile court that the student is in need of services under Minnesota Statutes chapter 260C.
9. A written notice containing the grounds for suspension, a brief statement of the facts, a description of the testimony, a readmission plan, and a copy of the Minnesota Pupil Fair Dismissal Act, Minnesota Statutes sections 121A.40-121A.56, shall be personally served upon the student at or before the time the suspension is to take effect, and upon the student's parent or guardian by mail within forty-eight (48) hours of the conference. (See Addendum 2 for a sample Notice of Suspension.)
10. The school administration shall make reasonable efforts to notify the student's parent or guardian of the suspension by telephone as soon as possible following suspension.
11. In the event a student is suspended without an informal administrative conference on the grounds that the student will create an immediate and substantial danger to surrounding persons or property, the written notice shall be served upon the student and the student's parent or guardian within forty-eight (48) hours of the suspension. Service by mail shall be complete upon mailing.
12. Notwithstanding the foregoing provisions, the student may be suspended pending the school board's decision in an expulsion or exclusion proceeding, provided that alternative educational services are implemented to the extent that suspension exceeds five (5) consecutive school days.

E. Expulsion and Exclusion Procedures

1. "Expulsion" means a school board action to prohibit an enrolled student from further attendance for up to twelve (12) months from the date the student is expelled. The authority to expel rests with the school board.
2. "Exclusion" means an action taken by the school board to prevent enrollment or re-enrollment of a student for a period that shall not extend

beyond the school year. The authority to exclude rests with the school board.

3. All expulsion and exclusion proceedings will be held pursuant to and in accordance with the provisions of the Minnesota Pupil Fair Dismissal Act, Minnesota Statutes sections 121A.40-121A.56.
4. No expulsion or exclusion shall be imposed without a hearing, unless the right to a hearing is waived in writing by the student and parent or guardian.
5. The student and parent or guardian shall be provided written notice of Bluffview Montessori School's intent to initiate expulsion or exclusion proceedings. This notice shall be served upon the student and his or her parent or guardian personally or by mail, and shall contain a complete statement of the facts; a list of the witnesses and a description of their testimony; state the date, time and place of hearing; be accompanied by a copy of the Pupil Fair Dismissal Act, Minnesota Statutes sections 121A.40-121A.56; describe the nonexclusionary disciplinary practices accorded the student in an attempt to avoid the expulsion proceedings; and inform the student and parent or guardian of their right to: (1) have a representative of the student's own choosing, including legal counsel at the hearing; (2) examine the student's records before the hearing; (3) present evidence; and (4) confront and cross-examine witnesses. Bluffview Montessori School must advise the student's parent or guardian that free or low-cost legal assistance may be available and that a legal assistance resource list is available from the Minnesota Department of Education (MDE) and is posted on its website.
6. The hearing shall be scheduled within ten (10) days of the service of the written notice unless an extension, not to exceed five (5) days, is requested for good cause by Bluffview Montessori School, student, parent, or guardian.
7. All hearings shall be held at a time and place reasonably convenient to the student, parent, or guardian and shall be closed, unless the student, parent, or guardian requests an open hearing.
8. Bluffview Montessori School shall record the hearing proceedings at Bluffview Montessori School expense, and a party may obtain a transcript at its own expense.
9. The student shall have a right to a representative of the student's own choosing, including legal counsel, at the student's sole expense. Bluffview Montessori School shall advise the student's parent or guardian that free or low-cost legal assistance may be available and that a legal assistance resource list is available from MDE. The school board may appoint an attorney to represent Bluffview Montessori School in any proceeding.
10. If the student designates a representative other than the parent or guardian, the representative must have a written authorization from the student and the parent or guardian providing them with access to and/or copies of the student's records.

11. All expulsion or exclusion hearings shall take place before and be conducted by an independent hearing officer designated by Bluffview Montessori School. The hearing shall be conducted in a fair and impartial manner. Testimony shall be given under oath and the hearing officer shall have the power to issue subpoenas and administer oaths.
12. At a reasonable time prior to the hearing, the student, parent or guardian, or authorized representative shall be given access to all Bluffview Montessori School records pertaining to the student, including any tests or reports upon which the proposed dismissal action may be based.
13. The student, parent or guardian, or authorized representative, shall have the right to compel the presence of any Bluffview Montessori School employee or agent or any other person who may have evidence upon which the proposed dismissal action may be based, and to confront and cross-examine any witnesses testifying for Bluffview Montessori School.
14. The student, parent or guardian, or authorized representative, shall have the right to present evidence and testimony, including expert psychological or educational testimony.
15. The student cannot be compelled to testify in the dismissal proceedings.
16. The hearing officer shall prepare findings and a recommendation based solely upon substantial evidence presented at the hearing, which must be made to the school board and served upon the parties within two (2) days after the close of the hearing.
17. The school board shall base its decision upon the findings and recommendation of the hearing officer and shall render its decision at a meeting held within five (5) days after receiving the findings and recommendation. The school board may provide the parties with the opportunity to present exceptions and comments to the hearing officer's findings and recommendation provided that neither party presents any evidence not admitted at the hearing. The decision by the school board must be based on the record, must be in writing, and must state the controlling facts on which the decision is made in sufficient detail to apprise the parties and the Commissioner of Education (Commissioner) of the basis and reason for the decision.
18. A party to an expulsion or exclusion decision made by the school board may appeal the decision to the Commissioner within twenty-one (21) calendar days of school board action pursuant to Minnesota Statutes section 121A.49. The decision of the school board shall be implemented during the appeal to the Commissioner.
19. Bluffview Montessori School shall report any suspension, expulsion or exclusion action taken to the appropriate public service agency, when the student is under the supervision of such agency.
20. Bluffview Montessori School must report, through the MDE electronic

reporting system, each expulsion or exclusion within thirty (30) days of the effective date of the action to the Commissioner. This report must include a statement of alternative educational services given the student and the reason for, the effective date, and the duration of the exclusion or expulsion. The report must also include the student's age, grade, gender, race, and special education status. The dismissal report must include state student identification numbers of affected students.

21. Whenever a student fails to return to school within ten (10) school days of the termination of dismissal, a school administrator shall inform the student and his/her parent or guardian by mail of the student's right to attend and to be reinstated in Bluffview Montessori School.

XIII. ADMISSION OR READMISSION PLAN

A school administrator must prepare and enforce an admission or readmission plan for any student who is excluded or expelled from school. The plan must include measures to improve the student's behavior, which may include completing a character education program consistent with Minnesota Statutes section 120B.232, subdivision 1, social and emotional learning, counseling, social work services, mental health services, referrals for special education or 504 evaluation, and evidence-based academic interventions. The plan must include reasonable attempts to obtain parental involvement in the admission or readmission process, and may indicate the consequences to the student of not improving the student's behavior. The readmission plan must not obligate parents to provide a sympathomimetic medication for their child as a condition of readmission.

XIV. NOTIFICATION OF POLICY VIOLATIONS

Notification of any violation of this policy and resulting disciplinary action shall be as provided herein, or as otherwise provided by the Pupil Fair Dismissal Act or other applicable law. The teacher, Head of School or other Bluffview Montessori School official may provide additional notification as deemed appropriate.

In addition, Bluffview Montessori School must report, through the MDE electronic reporting system, each exclusion or expulsion, each physical assault of a Bluffview Montessori School employee by a pupil, and each pupil withdrawal agreement within thirty (30) days of the effective date of the dismissal action, pupil withdrawal, or assault, to the MDE Commissioner. This report must include a statement of the nonexclusionary disciplinary practices, or other sanction, intervention, or resolution in response to the assault given to the pupil in response to the assault and the reason for, the effective date, and the duration of the exclusion or expulsion or other sanction, intervention, or resolution. The report must also include the pupil's age, grade, gender, race, and special education status.

XV. STUDENT DISCIPLINE RECORDS

The policy of Bluffview Montessori School is that complete and accurate student discipline records be maintained. The collection, dissemination, and maintenance of student discipline records shall be consistent with applicable Bluffview Montessori School policies and federal and state law, including the Minnesota Government Data Practices Act, Minnesota Statutes chapter 13.

XVI. STUDENTS WITH DISABILITIES

Students who are currently identified as eligible under the IDEA or Section 504 will be subject to the provisions of this policy, unless the student's IEP or 504 plan specifies a necessary modification.

Before initiating an expulsion or exclusion of a student with a disability, relevant members of the child's IEP team and the child's parent shall, consistent with federal law, conduct a manifestation determination and determine whether the child's behavior was (i) caused by or had a direct and substantial relationship to the child's disability and (ii) whether the child's conduct was a direct result of a failure to implement the child's IEP. If the student's educational program is appropriate and the behavior is not a manifestation of the student's disability, Bluffview Montessori School will proceed with discipline – up to and including expulsion – as if the student did not have a disability, unless the student's educational program provides otherwise. If the team determines that the behavior subject to discipline is a manifestation of the student's disability, the team shall conduct a functional behavioral assessment and implement a behavioral intervention plan for such student provided that Bluffview Montessori School had not conducted such assessment prior to the manifestation determination before the behavior that resulted in a change of placement. Where a behavioral intervention plan previously has been developed, the team will review the behavioral intervention plan and modify it as necessary to address the behavior.

When a student who has an IEP is excluded or expelled for misbehavior that is not a manifestation of the student's disability, Bluffview Montessori School shall continue to provide special education and related services during the period of expulsion or exclusion.

XVII. OPEN ENROLLED STUDENTS

Bluffview Montessori School may terminate the enrollment of a nonresident student enrolled under an Enrollment Option Program (Minnesota Statutes section 124D.03) or Enrollment in Nonresident Charter school (Minnesota Statutes section 124D.08) at the end of a school year if the student meets the definition of a habitual truant, the student has been provided appropriate services for truancy (Minn. Stat. Ch. 260A), and the student's case has been referred to juvenile court. Bluffview Montessori School may also terminate the enrollment of a nonresident student over the age of seventeen (17) enrolled under an Enrollment Options Program if the student is absent without lawful excuse for one or more periods on fifteen (15) school days and has not lawfully withdrawn from school.

XVIII. DISCIPLINE COMPLAINT PROCEDURE

Students, parents and other guardians, and school staff may file a complaint and seek corrective action when the requirements of the Minnesota Pupil Fair Dismissal Act, including the implementation of the local behavior and discipline policies, are not being implemented appropriately or are being discriminately applied.

The Discipline Complaint Procedure must, at a minimum:

1. provide procedures for communicating this policy including the ability for a parent to appeal a decision under Minnesota Statutes, section 121A.49 that contains explicit instructions for filing the complaint;

2. provide an opportunity for involved parties to submit additional information related to the complaint;
3. provide a procedure to begin to investigate complaints within three school days of receipt, and identify personnel who will manage the investigation and any resulting record and are responsible for keeping and regulating access to any record;
4. provide procedures for issuing a written determination to the complainant that addresses each allegation and contains findings and conclusions;
5. if the investigation finds the requirements of Minnesota Statutes, sections 121A.40 to 121A.61, including any local policies that were not implemented appropriately, contain procedures that require a corrective action plan to correct a student's record and provide relevant staff with training, coaching, or other accountability practices to ensure appropriate compliance with policies in the future; and
6. prohibit reprisals or retaliation against any person who asserts, alleges, or reports a complaint, and provide procedures for applying appropriate consequences for a person who engages in reprisal or retaliation.

XIX. DISTRIBUTION OF POLICY

Bluffview Montessori School will notify students and parents of the existence and contents of this policy in such manner as it deems appropriate. Copies of this discipline policy shall be made available to all students and parents at the commencement of each school year and to all new students and parents upon enrollment. This policy shall also be available upon request in the Head of School's office.
