

MSBA Training Opportunities

Charter School Board Training

Charter School Board Training The MSBA Charter School Board Member Workshop offers all three state-required training components for charter school board members: Board's Role and Responsibilities, Financial Matters, and Employment Matters.

Phase II - School Finance and Management

Presented by MSBA staff and state experts, Leadership Foundations — Phase II covers core topics such as the budget, school finance, local levies, policies, significant laws affecting school boards, collective bargaining, and personnel issues.

Phase III - Building a High-Performance School Board Team

Phase III focuses on the stages of board development, characteristics of a high-performing school board team, navigating board dynamics, small-group interactions with school board video scenarios, and an overview of the MSBA School Board Self-Evaluation tool.

Phase IV – Representing Your Community Through Policy and Engagement

Phase IV focuses on in-depth discussions and examples of a board member's role as a policymaker and interactive small-group sessions that walk through an actual community engagement activity. This workshop will also have a segment on dealing with the media and public forums.

Officers Workshop

The MSBA Officers' Workshop for Board Chairs/Vice-Chairs, Clerks and Treasurers is focused on board officers' responsibilities and basics/fundamentals of laws affecting school boards. Elected board officers, superintendents, staff who support the board, and all interested school board members are encouraged to attend.

Negotiations Seminars

Preparation is the key to successful bargaining. MSBA's Negotiations Seminars help board members prepare for negotiations.

Coffee and Conversations Series

During this stressful time, it easy to feel isolated and overwhelmed. Support from other school board members, who are experiencing many of the same issues as you, can be invaluable. Listening to and talking with your school board colleagues — and sharing what's working and what's not — is the purpose of our series of "Coffee & Conversation."
