

Pedagogy Committee
2/8/21

Members Present:

Henry, Katie, Meghan, Amy O, Shelly, Anna, Julia Johnson

1. Order at 2:35 pm
2. Reviewed
3. Eval Process: Hallman-can start early April, and should have enough time to get trough the teachers. If not, Sherry and I can get involved as well. Perhaps things will be a bit more calm by then.
4. Learning Mode changes-E2 up for full in person. The schedule has been shared, and is a tab on the spreadsheet. Very little discussion, Amy has a specific concern that will be addressed by admin.
5. PD:
 - a. Review Sarah Fecht
 - i. Her design-fine-perhaps exchange Excellence for Exploration?
 - b. Trauma Informed Practices, school wide series-group agrees that yes this would be a welcome addition to the staff's professional development, but wants to know more about a potential schedule/curriculum or pacing guide.
 - c. EL-should be included this year.
 - d. Reminder that relicensure has to include Accommodations piece again, as it was reinstated to the list of requirements this year.
 - e. Other-no
6. Kaya's Kindness Garden: Keep it simple-sign is good, but keep that simple also, and add other pieces for the name of the space, a phrase, etc. Also, discuss the curriculum idea with Kelly, include it in the start of year PBIS lessons, then staff uses it as an outdoor learning environment around virtues, friendship, etc. Go through Kelly first.
7. Montessori week-kick this to PBIS-Kate requested PJ day not be on Friday. This week may be odd as it is Feb. 22nd-26th which is the week where E2 may have M and T as planning days for the full return of E2.
8. Adjourned
