UWRF

Henry,
Great to hear from you!

A few questions for the ELEM science PD:
Are you looking for E1 or E1 & E2?
What is your timeline/ deadline?
Are you thinking of 4 hrs? 8 hrs?

As for the adolescent training, that training center does not have Secondary.
Here is the BEST place: <https://cmstep.com/>
They do training in Milwaukee and at Nature's Classroom in Mukwonago.

There is a new center <https://www.oaksmont.org/> but they are not accredited with MACTE or AMS (maybe later?) and honestly, I would not recommend them for a few reasons.
If you want to talk more, I am happy to speak by phone.

WSU

Good morning

Dr. Penny warner passed your message along to me. I believe I can help out the Bluffview teachers. What type of PD are you looking for?
