

Pay and hours:

This would be set up as a “blended position” for next year, with room to change and grow:

- Remain Office assistant 7:00-11:30
- HR Coordinator Noon-2:30
- Pay-Office assistant plus annual 1% merged with HR at \$20/HR
- This will allow for work from both positions to be done throughout the day
- Additional training in “Public Sector HR” as suggested by WAPS HR Director would be required and paid for by BMS
- Effects on HOS/AHOS jobs
