22nd Annual Trick-or-Treat Tour

WNB Financial's 22nd Annual Trick-or-Treat Tour will be held Saturday, October 28, from 9 a.m. until Noon in our Historic Downtown Winona Office, located at 204 Main Street.

The event offers a fun filled space for children, ages 2-10, to enjoy Halloween and do trick-or-treating in costume. Volunteers, who will be dressed in costume at themed stations, will staff the event. When children arrive, they will receive a map to guide them through the Maze of Halloween Hallways. Along the way, they can pick-up treats and treasures.

Families can expect more toys than candy throughout the tour. The event is free and open to the public!
