

**March for Peace**      Lyrics by Frank Leto      [www.frankleto.com](http://www.frankleto.com)

**Step by step let's march for peace.  
Come and join us won't you please.  
Peace can be a dream come true.  
Here are things we all can do:**

Be kind to other people.  
Help someone in need.  
Uplift the world with love  
By doing good deeds and maybe one day?

Random acts of kindness.  
Say no to violence.  
Show someone compassion,  
Make a difference and maybe one day?

**Step by step let's march for peace.  
Come and join us won't you please.  
Peace can be a dream come true.  
Here are things we all can do.**

Honor Mother earth.  
Respect all living things.  
Take a walk in nature,  
Feel the joy it brings and maybe one day?

Care for our planet.  
We can't let down our guard.  
Gaze up at the night sky  
And count your lucky stars and maybe one day?

**Step by step let's march for peace  
Dr. Montessori would be pleased  
Peace can be our dream come true  
And it all can start with you  
maybe one day, Yes maybe one day we'll have peace**
