

Winona Family YMCA

GROWING STRONGER TOGETHER

A Community Education Opportunity

**Saturday May 11, 2024
9am-12pm**

Enhance your green thumb skills and learn invaluable tips and techniques from area Master Gardeners on how to plant, care for, and grow your favorite flowers, plants and foods on your own. Fun and educational activities for the whole family including a fun Mother's Day project for kids!

Fun events for everybody!

- ✿ Bare roots available for ordering from area Master Gardeners. Proceeds go towards community projects.
- ✿ Plants available for purchase from area Master Gardeners. Proceeds go towards community projects.
- ✿ Mother's Day project for children with Simply Garden & Tree Care
- ✿ Honey Bee and pollinator station with local hive owners Angie and Luke Llemont
