HELPING CHILDREN TACKLE THE FUNDAMENTALS

Morrie Miller Youth Tackle Football League Winona Family YMCA

This league provides instruction for children in 4th-6th grade to learn fundamental skills and participate in competitive games emphasizing safety and sportsmanship. A JV game schedule will complement the traditional league format, offering playing opportunities for beginners. This is the perfect program for children who want to learn how to play, brush up on the rules, practice skills, participate on a team, and most importantly HAVE FUN! Our focus is on football education and safety, participation, and sportsmanship.

Dates: August 21 – October 14
