

# Creating Together!

## Painting & Mix Media Art Class

*This class is designed for kids with an adult  
(such as a parent, grandparent or other special adult)*

When: October, 12, 2023 (Thursday) at 6 pm - 7: 30 pm

Where: Winona Senior High School - Room 158

Fee: \$36 for adult/\$12 for child

In this painting and mixed media art class, participants will paint a background for their sunflower or sun on a 12" x 12" canvas. As the paint dries on the back ground, we'll design the petals or rays with different papers, designs and sayings. The parent/grandparent/special person will create together with the child.

This activity works well with children ages 6 years - 12 years old.

The parent/grandparent/special person may be any adult age.  
We'll create one or two canvases depending on how quickly the students work together.

Please wear clothing that could have paint accidentally added.
