

Bluffview Montessori School Parent Survey 2024

Rating scale is from 1 (strongly disagree) to 5 (strongly agree). If you find a question that you do not feel you can provide an accurate response for, please leave it unanswered. The only one required is the grade level question to begin the survey. If you are open to follow up questions about your statements, please include your email in the first question-this is optional. The survey is not collecting emails as we want real feedback.

*This data will be made public (other than the first optional question) so please don't use specific student/family names.

We appreciate your time in filling this out-the School Board does review it each year, and we select next years goals/plans in part from the results of this survey.

1. OPTIONAL: If you are open to potential follow up questions from administration, please add your email address here/
