What are some things that Bluffview does well?

21 responses

Excitement about learning, embracing children where they're at, passionate teachers and staff.

Ability to learn in a comfortable setting... learning is not rushed. My children don't come home stressed from school. Often time my kids don't believe they are learning... but I know they are.

connect with the kids

Teaches the whole person

High expectations of student success, instills good study skills, teaches and expects respectfulness, children treated like a member of the school vs just a number.

It feels like a welcoming community. Hands on learning

Giving students freedom to pursue their interests. Respect the wishes and beliefs of parents. Provide a safe environment for learning.

Do you have suggestions about what could be done to make Bluffview better?

1)most of the "problems" my children encounter happen during after school care
2)I am pleased with school lunches, but the snacks are less impressive. They are all very "treat-ish" to my children.

Recess before school, since gym is not everyday. My kids suggest more playtime in gym. I often hear from my kids their friends that there is a lot of talking with less movement taking place. I would like to see the music concerts incorporate more of the arts of music such as dance, song and instruments such as recorder, tambourines, etc to incorporate more student strengths and interests, and to introduce children to these types of experiences. I felt like the concert this year was several songs but the songs were not complete. It was confusing.

better parking

Open up grades 9-12 so we never have to leave ;)

My kids have complained about mean kids on the bus (not from Bluffview, but from other schools) and a lot of swearing and offensive language. I sometimes worry that
