

Winona Early Childhood Early Childhood Family Education (ECFE)

Baby & Me

Welcome to a place where curiosity is celebrated and every family is welcome. ECFE is based on the idea that the parents are a child's first and most important teachers. We provide an enriching environment where you and your little ones can grow, learn, and flourish through this new phase of life.

Class: Birth to 12 months

This weekly gathering time is for babies and their caregivers. Bring your questions and insights, and enjoy conversation with other parents in our engaging baby play space! A licensed parent educator will be present with families and will facilitate circle time during the last half hour of class. Arrive anytime during this FREE drop in-class.

Welcome Baby Visit

ECFE's private home visits are for expecting parents or parents with a child up to one year old. During these visits, a licensed parent educator provides FREE support that is designed to meet you where you are at emotionally and physically. We will also bring a free ring sling and teach you how to use it.
