

# APPLY NOW FOR ASSISTANCE WITH WINTER CLOTHING IN WINONA COUNTY

Winona County residents: Winona Goodfellows is accepting online applications to receive vouchers (money) to assist with purchasing cold weather clothing for this winter. Applications are open

**September 15-November 1st.**

Last year, these vouchers were worth \$50 per student.

**To apply: [www.winonagoodfellows.org](http://www.winonagoodfellows.org)**

**Do I qualify?** Eligible students are enrolled in a Preschool program or in grades K-8 in a Winona County school, and their family qualifies for the income requirements listed on the application.

**How does it work?** After completing a short online application and confirming eligibility, vouchers are mailed to families. Vouchers work like gift cards and are valid through December 31st at participating Winona stores.

**New this year:** Our application is online only. If you need internet and computer access, the Winona Public Library (151 W. 5th Street) and the St. Charles Public Library (125 W. 11th Street) offer free public internet access and wi-fi. If additional assistance is needed, please contact your school administrator. Project Fine is available to assist.
