

# Winona Mountain Bike Team

## Try-It-Out Sessions!

**When** (attend one or both): Wednesday, May 31 at 6pm  
Wednesday, June 29 at 6pm

**Where:** Wincrest Park, 1342 Woodpark Road, Winona, MN

**Who:** Anyone entering grade 6 (next school year) through high school (adults welcomed!)

Bring your bike or borrow one of ours, learn new skills, ride a trail, and make new friends!

The Winona Mountain Bike Team is for anyone in 6th through 12th grade from any Winona area school and surrounding communities including Wisconsin. No experience is needed. We have certified coaches that teach skills and how to ride the trails.

A mountain bike in good working order is needed, although there are some loaner mountain bikes available based on first come first serve basis.

Some riders choose to shred the trails with friends, and some compete. There are mountain bike races through the season starting the last weekend in August and the last race is October 15-16. Our team can attend five races: junior high races on Saturdays and high school races on Sundays.

If anyone would like more information, they can contact our head coach, Josh Horeck.
