

Winona Family YMCA

HUSTLE, HEART & HOOPS

5th-8th Grade Girls Basketball

The YMCA Pacers Girls Basketball Program is a developmental program with a competitive component designed to help players build skills, confidence, and character while preparing for future levels of play.

Practices emphasize teamwork, fundamentals, and decision-making within a supportive environment. Teams will participate in Tri-State tournaments for additional gameplay experience. While competition is part of the experience, success is measured through character growth and YMCA values — not wins and losses.

Members \$120/Non Members \$145

Financial Assistance is available!

November 2nd-January 3rd
